God remains where love remains. When a believer realizes without doubt that God is love, it is a powerful moment. Being able to place our resurrection trust in this fundamental truth allows us to experience God's presence in all of our experiences: the good and the bad, positive and negative, life enriching and destructive events we encounter. It is no wonder that St. Paul so accurately tells us that it is love that endures all things and lasts. How can God not endure or ever fade away? Because he is God, Jesus also guarded and protected his disciples as the endearing shepherd who always had their best interest at heart.

If we become too immersed in the world, we lose touch with these deeper realities. We can become so preoccupied with preserving what we have created or think that we need, forgetting that it is not building our city that really matters, but God's. Jesus clearly did not belong to the world and, by virtue of his resurrection, he tries to get us to understand that we do not either. The truth brings us to other worldly, more divine places and takes our eyes off of the concerns that often captivate our fears and storm our senses.

Life can easily erode our faith. Think of your life over the last couple of weeks. What challenged your faith and distracted your divine glance? Even being overly stimulated with technology and social media can erode our sense of confidence and cause us to forget who we really are. We need to distance ourselves from the world in order to experience the joy that Christ offers. The world will never like the word of God. It is too challenging and too perplexing. The world mistakenly believes that it can survive on its own. It is a mistaken judgment that may cost people a lot in the end. It is all so very simple: God remains when we love one another. If in all the business of our lives and all that each day brings, the good and the bad, we follow the call and path of love, we will walk with God. There is nothing to fear and anxiety finds no home.

Be Thankful

Be thankful that you don't already have everything you desire,
If you did, what would there be to look forward to?
Be thankful when you don't know something
For it gives you the opportunity to learn.
Be thankful for the difficult times.
During those times you grow.
Be thankful for your limitations
Because they give you opportunities for improvement.
Be thankful for each new challenge
Because it will build your strength and character.
Be thankful for your mistakes
They will teach you valuable lessons.
Be thankful when you're tired and weary
Because it means you've made a difference.

Thank you to Sarah & Brant Breuer for all the work they put into planning and organizing the Holyland Catholic School Brat Fry on Saturday. Thank you to all of the HCS families and staff that helped to make this fundraiser a success. Thank you to everyone who came out to support the HCS at the Brat Fry.

We are pleased to announce that Mrs. Elizabeth Lingen will be the new principal of our Holyland Catholic School. We are grateful for all that Mr. John Wertschnig as done for our school over the past two years and look forward to a smooth transition as Mrs. Lingen begins her service as of July 1, 2021. Thank you John and welcome Elizabeth! The following is an excerpt from Mrs. Lingen's profile in the St. Joan Antida website where Mrs. Lingen presently serves as Assistant Principal and History Department Chair. Mrs. Lingen is a 1993 graduate of St. Ian Antida High School in Milwaukee.

Elizabeth Lingen has worked in Catholic higher and secondary education for her entire professional career. She has a Bachelor of Arts in Social Science with emphasis on Global Studies and History from Alverno College. She is also a licensed teacher in the disciplines of History and Broadfield Social Studies. Mrs. Lingen recently completed her Master of Arts in Administrative Leadership and Director of Instruction from Alverno College.

For the first twelve years of her career, she served as an Admissions Director at both the college and high school level. She is a proud 1993 graduate of St. Joan Antida High School and chose to return to the school in 2007 to serve the mission that was foundational in her own development as a young adult.

Mrs. Lingen finds that the most exciting part of her day is watching students take pride in their own learning process. She believes that, regardless of varying learning styles and needs, all students should expect their school will create an environment that challenges them to reach their highest potential. Helping students to achieve high expectations must come with support and guidance on how to reach those goals. Schools must find ways to give students multiple pathways by which to reach the expectations and goals they have set for themselves. She believes in working alongside teachers and other school staff to create an environment that helps everyone to be successful at their own learning and enjoys the process along the way!

Congratulations Tom & Debra Kraus on 50 years of marriage. Thank you for celebrating at Mass to let others witness your commitment to each other. May God bless you and your family on many more years of happiness together.

On Saturday, May 8 at the 4:00 PM Mass we thanked Ellie Gavin for her ministry of music at St. John the Baptist Parish. Ellie is retiring from St. John the Baptist after having played the organ for over 60 years and has led the choir for over 50 years. Thank you Ellie. We are also grateful that Ellie will continue to play at Holy Cross Church.

Congratulations to Catherine Petrie, our Director of Religious Education, and her husband Kollin on the birth of their daughter Clara Josephine! May she and her sisters grow in wisdom and love for our Lord.

A Pastor once said "After a worship service at church a mother with a fidgety seven-year-old boy told me how she finally got her son to sit still and be quiet.

About halfway through the sermon, she leaned over and whispered, 'If you don't be quiet, the pastor is going to lose his place and he will have to start his sermon all over again!' It worked."

From the (Future) Pastor's Desk: Sunday, May 16, 2021

A very wise Parish Priest that I was privileged to work with many years ago once reminded me that the most important mission of any Parish is to share its faith with the world around it. Sometimes a parish is able to do this by generously welcoming visitors and new members to its worship. Sometimes the faith of a parish community leads it to incredible acts of service for the poor both nearby and in missions around the world. In nearly all cases today, Parishes in the United States have found themselves sharing their very members and the faith that is in their hearts with our world, our society, and the many people they will grow to love and make a part of their lives.

The Gospel of Matthew concludes at Chapter 28 verses 18-20 with this familiar instruction: Jesus approached the disciples and said to them, "All power in heaven and on earth has been given to me. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age." Our common role as baptized members of the Church gives each of us the instruction to share this experience of knowing that Christ is with us always. Faith is more than knowledge or catechesis. It is more than ritual and private prayer. It is a lived experience that others can see and hear and feel.

I grew up in a family and parish, in a community and world that has not always lived this in an obvious way. Yet as our Catholic tradition teaches us, at that moment of baptism I too was destined to grow because of the command to know that Christ is with us always. My family did become my first teachers in the faith, but in time they let me go so that I could continue to explore and be formed in the gospels. My family was not only made up of parents and siblings but of uncles and aunts and generations of people of faith. My father is a retired Permanent Deacon who served the church publicly. My mother a school teacher, initially in a one room rural school house. Two of my great aunts were Sisters in Sister Jenada's community. One great aunt was a Sister of Perpetual Adoration in La Crosse. One of my siblings is a Sister of Saint Joseph of the Third Order of Saint Francis. One of my great uncles was a Monsignor who lived to be 102. Bishop Listecki presided at his funeral. His uncle was also a priest of the Diocese of La Crosse, Father Lang. My family has been about church for a very long time but when I was young I chose to become a Capuchin and continued my journey with the brothers.

Each time any of us enter into a part of our faith lives in service, or study, or prayer or community that faith is challenged and we grow. That will happen every day until we are with God in heaven. I have been blessed to be called to minister in many different settings and with many different communities of faithful people. As a Capuchin I have served in jails, schools, parishes, retreat houses, reservations, universities and formation programs. I have been a student of some of the best teachers in the Midwest and a few other places. My family background of ministering as Diocesan Priests did draw me to that way of life for a while. I have a rare set of experiences both as a Capuchin Friar and in Priesthood in general. And now, I share with you that I have received a call from our Capuchin Provincial Leadership to entrust my faith journey to the parish of Our Lady of the Holy Land right here with all of you.

There is still some time before the transition and much time for you to hear my stories and how I have come to know the gospels. You have been a wonderful place for my Capuchin brothers to grow and serve for many, many years. Fr Gary Wegner is only the most recent person of faith that you have shared your faith lives with. As we get to know one another I too hope that we can help each other grow in our faith journeys and stories. I am grateful for that home parish of mine that was able to shape me as a baptized person and send me out into our Church and world. (By the way, Fr Larry Abler was pastor there a few years ago.) I'll do my best to share with you what I've been able to experience over the years and how I have grown in my belief more and more that Christ is always with us.

Peace & all good!

Fr. Randy

Thank you to the Harold "Flip" Lefeber family for the beautiful flowers left in St. Cloud Church after the funeral.

An Act of Spiritual Communion
My Jesus,
I believe that You are present in the Most Holy Sacrament.
I love You above all things, and I desire to receive You into my soul.
Since I cannot at this moment receive You sacramentally,
come at least spiritually into my heart.
I embrace You as if You were already there and unite myself wholly to You.
Never permit me to be separated from You. Amen.

The Prayer Circles are always open to pray for your needs and requests.
Prayer is the answer to all our needs. If prayers are needed in the St. John's area, call Gertie Merten at 795-4249; Carol Behling at 795-4254. In the St. Mary's area call Joan Gerhartz at 898-5978 or Betty Kraus at 894-3655. The St. Isidore area call Rosie Dreifuerst at 999-4259.

"Happiness cannot be traveled to, owned, earned, worn or consumed. Happiness is the spiritual experience of living every minute with love, grace and gratitude."

Have a Happy Weekend:-)
