Haiti Annual Fund Drive Update!!

If you had a chance to meet Fr. Bertrand from St. Joseph's Parish in Thomonde, Haiti, you received a treat and a special encounter. If you unfortunately missed this opportunity, please review the Parish website to learn what is going on through our twinning relationship. Either way, please prayerfully and generously support the needed activities that we are providing with their much-needed new church construction, school supplies, teachers' salaries, clean water, human waste management and now securing...JOBS! This is a truly exciting and necessary Parish Outreach! We are over half-way to reach a modest goal of \$20,000.

Father Bertrand's presentation at Sunday Mass:

Dear Father Dennis, Members of the Haiti committee, and Brothers and Sisters in Christ. Bonjou! From me and Bishop Jean.

As you know, I am Fr. Bertrand Desforges, the Pastor of St. Joseph Parish in Thomonde Haiti. I have been pastor there for 3 years. I am so happy to be here today to see you and talk to you and be the voice of my parish. To say Thank You to everyone for everything that you do to help many families get their children to school.

I know in America you work very hard to make money and you share this hard-earned money with us. Your faith in God calls you to do this from the bottom of your heart. With your help more than 400 children go to school in good classrooms and get books to study. That means a lot to me. Good education is the best gift for a child. You must be happy and proud because you show our parish what love is!

Jesus said: everything you do for the little ones; you do for me. You do your best to preach the Gospel of Jesus! Your help also is to Unlocking Communities, a project that we have for helping families to develop their own business and get a better life!

At St. Joseph Parish we are doing a big project, building a new church. St. Margaret Mary is always there with us in each step that we are doing, to bring us hope and let us know that tomorrow will be better.

I really appreciate the work that the Haiti Committee is doing; they do a good job with love and passion. I would like to build our relationship on four strong pillars: LOVE RESPECT FAITH TRUST. If we build on these pillars, we will be sure that our relationship is strong and successful! To every one of you I say Thank You for your support and helping in our mission!
