Alpha
BEGINS SEPTEMBER 8TH FOR 12 WEEKS
IN THE MATERNITY BVM PARISH CENTER, 308 E. MARSILE ST., BOURBONNAIS
MONDAYS 6:30 PM - 8:30 PM

WHAT IS ALPHA?

Alpha is a series of interactive sessions that freely explore the meaning of life and the basics of the Christian faith.

WHAT TO EXPECT

FIRST, THERE'S FOOD

There is a simple meal together at each session that gives you an opportunity to get to know one another

THEN THERE'S A TALK

The talks are designed to engage and inspire conversation. They explore big issues around faith and unpack the basics of Christianity.

FINALLY, A DISCUSSION

This is the most important part of Alpha: the chance to share thoughts and ideas on the topic, and simply discuss it in a safe, welcoming environment. There's no obligation to say anything and there's nothing you can't say. It's an opportunity to hear from others and contribute your own perspective in an honest, friendly and open environment.

Food Pantry

This week, we're taking a different approach with our article. Instead of focusing on the usual updates, we want to take a moment to express our heartfelt thanks to two groups who often go unmentioned but are absolutely deserving of recognition.

A Special Thank You to the Camp MOSH Volunteers:

First, we'd like to extend our gratitude to the MOSH Mission for their tremendous success this year. Having been involved with MOSH in the past, we know how much effort it takes, and we understand how exhausting it can be at the end. This year, MOSH volunteers went above and beyond by packing up all the leftover food and distributing it to us, the food pantry, and upcoming Parish Fun Day. Your kindness and dedication to helping those in need is truly inspiring. Bless you for your efforts and for your outreach to the community!

Acknowledging Our Food Pantry Volunteers:

Next, we want to give a special shout-out to our incredible food pantry volunteers, particularly those who continue to serve while facing their own personal challenges. While we all go through trials, we want to recognize two volunteers (who wish to remain unnamed) whose spouses are currently in the hospital, with one soon to undergo surgery. Their commitment and unwavering dedication, even in the face of hardship, are deeply appreciated. You are in our prayers, and we are so thankful for everything you do.

What We Need:

As always, our pantry is in need of supplies. Here's a list of what we can use:

- Sloppy Joe meat, potato chips, or Doritos (for our upcoming Labor Day meal)
- Canned vegetables, fruit, and meat
- Syrup
- Macaroni and cheese
- Soup and saltine crackers

Finally, as Sirach reminds us: "

He who does a kindness is remembered afterward; when he falls, he finds support."

Let's continue to support one another and keep the spirit of giving alive.

Thank you again for your ongoing generosity and commitment.

Why should you sign up for our

PARISH E-MAILS?

You will receive our electronic newsletter, which may have additional information regarding events in the parish and surrounding community, which may not fit in the limited space of our bulletin.

Campaign Update

August, 2025

Dear Parishioners,

I'm pleased to share an update on the progress of our *Remember, Rebuild, Renew 175 Capital Campaign*. To date, we have raised **\$2,043,835.78** in support of critical infrastructure improvements that will keep us from facing the challenges of deferred maintenance.

During 2024–2025, we've continued putting these contributions to meaningful use:

- **Parking Lot Improvements:** We were able to improve the parking lot of the school and completely replaced the parking lot in front of the Church. As a gesture of friendship, and recognizing the importance of our parking lot, Olivet Nazarene University contributed \$60,000 to the parking lot project. Olivet Nazarene University also clears the snow and provides salt to the front parking lot. They are grateful for the ability to use the parking lot during the business day, but still graciously yield the use of the parking lot to Maternity BVM when there is a funeral or other special event.
- **Rectory Exterior Renovations:** We updated the exterior of the rectory, including new windows, siding, fascia, and gutters, preserving the integrity and appearance of this important space.
- **School Boiler Replacement:** Currently, we are in the process of replacing the boiler in the school. While the old boiler was still operable, we found that the annual cost to maintain it would be prohibitive over the years. It is more than the condition of the boiler itself, but it's also the equipment surrounding it that must be maintained. The new unit will operate more efficiently, using less energy and minimizing the wasted heat that exits the smokestack.
- **Technology Upgrades:** In our Parish Center, we've installed a new computer, projector, microphone system, and upgraded speakers to better serve the needs of our ministries and groups that gather for formation, meetings, and events.

All of the projects outlined above were done by contractors based in Kankakee County!

Thank you again for your generous support of this capital campaign. Considering all the projects that have been accomplished over the last three years, we have made considerable improvements to our buildings and property without having to take loans for emergency repairs.

This is truly a moment to give thanks for your generous response to this capital campaign.

It is also a moment to raise awareness that there will be future needs beyond the scope of this capital campaign. We need to be mindful that our newest buildings are now approaching 20-25 years and will soon have roofing and HVAC needs. The Church too will need a roof in the next 5-10 years, and the HVAC in the church may need to be addressed as well. Many parishioners have raised the need to improve access to the loft.

Adored and Loved be Jesus,

Fr. Jason
