## THE HOLY FAMILY

He went down with them and came to Nazareth, and was obedient to them; and his mother kept all these things in her heart. And Jesus advanced in wisdom and age and favor before God and man. - Lk 2:51-52

## Welcome to St. Pius X Parish Community

May you feel the love God has for you in your heart and may you find peace and joy this Christmas season and throughout the New Year. Abundant blessings to you and all of your families. With prayers and gratitude, Father Jim, Father Patrick, Deacon Bob, Deacon Dan and all of the St. Pius X staff.

### DID THE HOLY FAMILY HAVE ISSUES?

Today's Gospel reading indicates that Mary and Joseph had to deal with problems just like my family did and all families do. Were Mary and Joseph concerned and anxious as they journeyed back to Jerusalem to find Jesus? Yes! Some might think that it was not a big issue to go back to find their son because in Jesus' time, they did not have the dangers we experience today with children on their own. Actually, this is why Mary and Joseph were on the caravan to journey back to Nazareth. Even traveling as a family was dangerous business. They then found themselves traveling back to search for Jesus, but without the protection of the family caravan. Mary and Joseph experienced a range of emotions throughout Jesus' lifetime as they experienced the birth of Jesus....as they left in haste to Egypt for protection from King Herod....as they found Jesus in the temple. Then, Mary experienced the brutal crucifixion of her Son. How did they handle all these things? Just like your family can. They were able to continue on by keeping their minds and hearts on the Joy of God's Will instead of putting their minds and hearts on worldly emotions.

We were created to learn to love other through the family experience. From the family experience, we learn how to love others in the human family and all creatures that God had created. The first place to learn to love others is the family. Isn't this amazing that God chose to use a human family to bring His Son into this world to save us? The Holy Family (Jesus, Mary, and Joseph) is the best example of loving others as they experienced this world's emotional highs and lows. Pope Benedict makes the connect between the human family and the Trinity (family of love):

*"God had chosen to reveal himself by being born into a human family and the human family thus became an icon of God! God is the Trinity, he is a communion of Love; so is the family despite all the differences that exist between the Mystery of God and his human creature, an expression that reflects the unfathomable Mystery of God as Love..... The human family, in a certain sense, is an icon of the Trinity because of its interpersonal love and the fruitfulness of this love"*

To better understand God is to let God teach us how to love in our own family and then in God's family – the human species. In the book handed out prior to Advent, Scott Hahn ends Chapter 13 on the Holy Family. He indicates we will learn about the Trinity and the desires of God through family love to bring us peace and Joy in this world; however, this is just the pre-show for the grand experience of Love in Eternal life.

*"We are created for the sake of love. When we experience love in family life, it is heavenly, but it is still only an image of the greater glory we hope to behold in heaven"*

Merry Christmas.... Joy to the World!  
Deacon Bob

ADULT FAITH FORMATION  
"THE SEARCH"

Why are we here? What is life all about? What happens when we die? These are some of life's deepest questions, rooted in the human heart's deepest desires: happiness, love, beauty, meaning. Where can we find

the answers to these questions and these desires? Until satisfied, we are left questioning, longing, and searching.

*The Search* video series guides viewers through an arc of seven episodes, examining the great big story of everything—life and death, sorrow and happiness, science and faith—as astrophysicists, psychologists, astronauts, neuroscientists, professors, athletes, artists, and the beauty of the cosmos all point to one big (and perhaps surprising) conclusion: that Jesus Christ and the Catholic Church have the best and most satisfying answers to every one of the questions and desires of the human heart.

The cost is \$14.00 for the group discussion books. The deadline for ordering books is Monday, January 3rd. The 7 part study will start the week of January 10th. Sessions available (choice of):

Monday, Jan. 10 – Feb. 7th  
8:45 am North NartheX

Thursday, Jan. 13<sup>th</sup> - Feb. 24<sup>th</sup>  
6:30 pm Fr. Keller Room

Please see bulletin insert or check the Narthex for a registration form.
