Welcome to St. Pius X Parish Community

As a Parish, we are Forming Disciples, sent on mission, sharing the Good News of Jesus Christ. Thank you for journeying with us.

Dear St. Pius X Parish Family,

"I will go to the altar of God, to God who gives joy to my youth." With these words from Psalm 43 the ancient Roman liturgy would initiate the dialogue between the priest and the servers at the foot of the altar to begin Holy Mass. Even though this prayer is not a part of the contemporary Roman Rite, the spirituality of youth finding joy serving at the altar of God is still very much a reality.

You have probably noticed many new altar servers over the past few months. During the fall, we held altar server training and over two dozen new servers joined the ranks of servers at St. Pius! This young group has enthusiastically joined our altar serving crew and the veteran servers have incorporated them smoothly into the serving team. As a priest it has been such a blessing to get to work with our parish servers. It is very inspiring to see their love for Jesus come out in their reverent and joyful service at Mass.

During training the servers learn that their main job at Mass is to pray, and we remind them that they are most truly serving Jesus the High Priest when they serve. At Mass it is actually Jesus who offers Himself and prays for us as our High and Eternal Priest. Jesus says the words "This is My Body" and gives us to eat of His Body and Blood. So when the servers hold candles, carry the missal, or swing the thurible, they are doing these actions in service to and out of love for Jesus Christ. There is no doubt that over the years our servers will continue to grow deeply in their love of the sacred liturgy, especially as a fruit of their reverent service to Christ the High Priest.

Please encourage more young parishioners to join us and find joy at the altar of God!

In Christ,
Fr. Patrick

GOSPEL MEDITATION

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.
