**MESSAGE FROM THE PASTOR**

My dear Parish Family,

The miracle at the wedding feast of Canaan.

We have moved back into Ordinary Time. I was telling the folks on Wednesday evening Mass that it is easy to find Jesus during the Christmas Season....He is in the manger. The shepherds are told by angels where they can find Him. The Magi follow a star that guides them. Scripture reminds Herod that the Christ will be born in Bethlehem.

But now it is Ordinary Time. Where do we find Jesus during the ordinary times of our lives? Well, we certainly can always find Him in Scripture, and we can most certainly find Him in the Eucharist.

Our Gospel reading is about the wedding feast of Canaan. Do we take time to see Jesus at work at those ordinary gatherings...ordinary celebrations...ordinary standing in line at the grocery store moments of our days?

The other important point I want to make is that we are called to bring Christ's presence to the world. The presence of Christ we receive in the Word and Sacrament...we are called to bring that to the world.

Maybe we are the ones called to work miracles of kindness, forgiveness, compassion, and love so that others can find Jesus in the Ordinary - or maybe not so ordinary - times of their lives. Just a thought.

Have a good week.

Very Reverend Mark D. Reyling, V.F.

## LIVE THE LITURGY

### Inspiration for the week

Relationships are hard to clarify. Determining whether people in our lives are simply acquaintances and associates or a deeper level of friend is a journey that takes time. Identifying and celebrating those people who really care about us is a lifelong adventure that involves both moments of intense elation and heartache. Some relationships are more easily definable than others. Two people who are in love must decide whether the love they share has the freedom and depth necessary for lifelong commitments. Other relationships may look like friendship but may harbor grave dysfunction and toxicity. Discernment is needed on all fronts. Our relationship with God also needs definition and discernment. God has taken creation as His spouse and human beings as His children. God delights in us and all that He has made. The wedding feast at Cana demonstrates God's investment in all of this, especially our happiness. Life is a time for celebration and great rejoicing!

## SAINT OF THE WEEK

Not much is known about the life of St. Sebastian (256 – 287), except that he was a Roman martyr whose name has been mentioned throughout history since early 350.

We see St. Sebastian many times in art, especially from iconic paintings from Guido Reni, Andrea Mantegna and Hendrick ter Bruggen. Historical scholars now agree that a spiritual story has the beloved saint entering the Roman army because only there could he assist Christian martyrs without arousing suspicion on himself. Eventually he was found out, brought before Emperor Diocletian and delivered to Mauritanian archers to be shot to death. Pierced with arrows, he was left for dead, but managed to survive. He recovered from his wounds but still refused to leave.

One day, St. Sebastian took up a position near where the emperor was to pass. He confronted the emperor, condemning him for his cruelty to Christians. This time the sentence of death was carried out, and St. Sebastian was beaten to death with clubs. Today he is the patron saint of athletes.

**Believing Signs.** At first glance, these readings lead us to bride and groom, gifts, and marriage. But there are important things underneath, important truths at the heart of these proclamations. God has not and will not abandon us (Isaiah). Charisms, that is, gifts of the Spirit, are given to everyone to use for the common good, not just one's own good (Corinthians). The miracle of water to wine is the first of many signs of the Messiah, the Christ (John). God's signs and good activity are everywhere.

- What evidence do I have that God is with us still?
- What gifts that I have, given by the Spirit, will I put to use for the good of another?
- Christ is active all the time. What little and big signs of this goodness can I be part of? What signs will I rejoice in?

Vocations Corner 2022

Today we hear the great story of the Wedding Feast at Cana. Jesus is celebrating with the happy couple - a salute to the vocation of marriage. And, He honors His mother's request to intervene as the wine runs out. We are now issued the one of the greatest calls to holiness of the ages - "Do whatever He tells you." As this was the "beginning of his signs...and so revealed his glory", are we seeing his signs and doing whatever he tell us? Are we called to something greater?

2022 SISTER PARISH PROJECT

Dear OLMC Parishioners,

It is again time to collect funds for our sister parish in Uganda. We have started our fund drive this January and will continue for the entire month. Your donation of \$50.00 feeds one child for one year. Once a child realizes he/she will be fed - they come to school. Once fed, they are also getting the wonderful opportunity and gift of an education.

An envelope with Sister Parish Project and your name may be placed in the collection basket at church. Or - the donation may be mailed to the parish office - 104 N 17th St., Herrin IL 62948. **Please make your check payable to Sister Parish Project.**

**Thank you in advance for your donations!** These children depend on our generosity. Fr. Gerald Wamala and the children pray for us daily. Your impact with this donation is creating a ripple in Uganda that is hard to measure!

### THIS WEEK'S STEWARDSHIP RECOMMENDATION:

How you use water can have a significant environmental impact over time. Low flow shower heads, washers, and dishwashers reduce water waste and can save you money, as does turning off the water while you're brushing your teeth or shaving. Fully load your washers and dishwashers before running. Got a leaky faucet or toilet? You might be wasting 200 gallons of water a day. Planning on outside watering? Check the forecast for rain. Also, try drinking tap water instead of bottled water, to reduce packaging waste. The FDA says it's just as good for you. More water saving tips can be found at <https://www.epa.gov/watersense>
