MESSAGE FROM THE PASTOR

My dear Parish Family

We have certainly had interesting weather these past few days. Today (Thursday) when I got up and the wind chill was zero, I recalled the many times that I would get up and go out with two 5 gallon buckets of hot water and the axe to chop a hole in the ice and pour the hot water so that the steer, dogs, cats, and chickens would have water to drink.

Now I understand they make heated water troughs....really....kinda takes all the fun out of it. It was fun to watch the steer watch me chopping the ice....as soon as you poured the water in, he would start drinking - usually faster than you could pour it in. The steers seemed to realize that you were there to make certain that they had what they needed.

In our own lives....after all that God has done for us...do we realize that God will make certain that we have what we need? Do we trust in that?

At this Mass, God gives us our daily bread...the Eucharist...the Body and Blood of Christ. Making certain that we have the grace that we need to go forth and proclaim his presence. It is by our partaking in this Eucharist that we are reminded that we are the Body of Christ. As members of the Body of Christ, we then are sent forth to be Christ's body in the world...to be that presence...to be that people who make certain that others have the things they truly need.

In our parish we currently have the Sister Parish project to help the students in our sister parish school have food to eat....also in the bulletin we have a listing of items that they need at the local food pantry and a tub in the Gathering Space to place these items so that members of the community will have food to eat. We help sponsor the Herrin House of Hope...providing a hot meal to anyone who comes through the door. These are all ways that we - the Body of Christ - can make certain that others have what they need.

May our lives of service to others bring to fulfillment the words of scripture to love God and to love our neighbor.

Have a good week.

Very Reverend Mark D. Reyling, V.F.

LIVE THE LITURGY

Inspiration for the week

People can easily lose a sense of the sacred and transcendent. When we lose a sense of God's special presence, we need to be brought back. Ezra brought people back to the word of God and they realized what they were missing. Jesus proclaims God's word in the synagogue with true conviction and tells those gathered that he is the fulfillment of all that Isaiah taught. Even though people get lost, distracted, discouraged, and often journey down the wrong path, God's timeless law remains. When we allow ourselves to truly hear God's word and act on it, that living word slowly, over time, changes us. It has the power to soften and mold us, creating within us a joyful spirit. We realize the truth in what God speaks and become open to God's love. Gradually and gently God leads us back where we belong. We discover again the sacred character of life and the wonder of God's power. It is no wonder that Luke addresses his remarks to Theophilus. It is a name that means "beloved of God," a name that can be used by anyone who desires friendship with God.

ST. THOMAS
AQUINAS

FEAST DAY
JANUARY 28

SAINT OF THE WEEK

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, "The Summa Theologiae." Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.

Believing the Word of God. We are the body of Christ (Corinthians) assembling as the graced community of believers (Nehemiah) each week to give thanks and praise, to share in Communion, and then sent to serve. We are part of the great Communion of Saints to whom is handed down the living Word of God - both the Scriptures and the Tradition as well as the very person of Christ who is the spoken Word of God (Luke). The Word of God is central to faith.

- How will I set aside a few minutes each day to read/reread Scripture? What is a good time?
- How will I look for the unfolding mystery of Christ in little and big ways today?
- How will I be "good news" this week by what I say and do?

Do you have your 2022 OLMC Calendar yet? Contact a student or the school office... We will be DRAWING those names SOON!

Vocations Corner 2022

My parents gave me & my siblings a joyful & loving childhood where the beauty of the Catholic faith shone brightly. They sent us to a school in Madrid operated by the sisters of the Company of the Savior, whose charism is to cooperate with parents by providing a strong education in a faithful catholic environment. The joy, devotion & dedication of the sisters immediately attracted me. During my last years of high school & my first year of college, I was tempted by new experiences & friendships based on different ideals than those of my youth. It was Mary who opened my eyes to see deeper. She brought me back to the heart of Jesus. Eventually, I embraced His loving call to be only his & joined the Sisters of the Company of the Savior.

WEEKLY STEWARDSHIP RECOMMENDATION:
 Greenhouse gases (GHGs) trap heat and make the planet warmer. Transportation accounts for 27% of America's GHG emissions. When purchasing, consider buying the highest mileage vehicle in the class you need. For example, a 40 mpg vehicle can save you 4500 gallons of fuel over the life of the vehicle and dramatically reduce tailpipe emissions, compared to a 20 mpg alternative.

2022 SISTER PARISH PROJECT

Dear OLMC Parishioners,

It is again time to collect funds for our sister parish in Uganda. We have started our fund drive this January and will continue for the entire month. Your donation of \$50.00 feeds one child for one year. Once a child realizes he/she will be fed - they come to school. Once fed, they are also getting the wonderful opportunity and gift of an education.

An envelope with Sister Parish Project and your name may be placed in the collection basket at church at any mass. Or - the donation may be mailed to the parish office - 104 N 17th St., Herrin IL 62948. **Please make your check payable to Sister Parish Project.**

Thank you in advance for your donations! These children depend on our generosity. Fr. Gerald Wamala and the children pray for us daily. Your impact with this donation is creating a ripple in Uganda that is hard to measure!

WORSHIP & MEDITATION

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.
