Dear parishioners

Thank you everyone for showing me such great kindness during my two years at Sacred Heart Parish. It is somewhat bittersweet as I say goodbye. Bitter in the sense that I have to leave all of you, sweet in the consolation I no longer have to drive 201 miles on Monday’s to serve as Chaplain for the Sisters of the Missionaries of the Word in Baileys Harbor, but will only be two miles away. However, I will now be serving five parishes and an Island in Door County whom I look forward to serving.

Though there is so much I’d like to share with you about my experiences at Sacred Heart, I’d rather end by reflecting on the Feast of the Sacred Heart of Jesus. The feast is celebrated 19 days after Pentecost. This year it falls on Friday, June 28.

Though I am on vacation that week as I am moving to Baileys I will offer Mass that Friday morning at 8:15am in thanksgiving to the Sacred Heart for all He has done for us throughout our lives.

In 2002, Pope St. John Paul II established the solemnity of the Sacred Heart as the World Day of Prayer for the sanctification of Priests. Though this day of prayer can be celebrated on any day the Solemnity of the Sacred Heart is the most fitting day because it highlights the importance of the Sacred Heart of Jesus for the life and ministry of priests. In his 1992 apostolic exhortation Pastores Dabo Vobis Pope John Paul II said “future priests must be formed: in the spirituality of the heart of the Lord.”

Pope Pius XII recognizes the Eucharist and the Priesthood as “gifts flowing from the Sacred Heart of Jesus.” Reflecting on Jesus hanging on the cross he writes:

Who can worthily depict those beatings of the divine heart, signs of His infinite love of those moments when He granted us His greatest gifts, Himself in the Sacrament of the Eucharist, His holy Mother and the office of the Priesthood.

St John Eudes said:

“The priest is one of the chief parts of the mystical body of Christ because he occupies the principal parts of that body... He is the heart circulating the blood stream of Christ’s precious blood... to vivify the other members that their words and functions may be ennobled and perfected. Because the priest acts as the eyes, the mouth, the tongue and the heart of Jesus. he must be configured to the Sacred Heart of Jesus, the embodiment of divine love and mercy.

Please, pray for your priests and asks God for vocations to the priesthood. God Bless you

Sincerely,
Father Tom Farrell
