Home Delivered Meals

Tom and Val Pankonen are looking to recruit volunteers
 from Our Lady Queen of Heaven parish to sponsor
 drivers for an Aspirus Riverview Hospital Home
 Delivered Meals route **one day per month**. Delivering
 hot, nutritious meals to some of our most vulnerable
 can be a very rewarding experience as it provides us
 with the opportunity to put our faith in action by serving
 others. For those interested in giving about an hour
 of their time once per month (or more as desired),
 please contact the parish office with your name,
 address and phone number at (715) 423-1251. A brief
 orientation to the Aspirus Home Delivered Meals
 program will be arranged along with completions of
 some simple paper work. Many thanks for your
 consideration. This is a wonderful opportunity to help
 our community.

Good Movies for the Summer

If you are looking for a good movie for you and/or your
 children, check out a recommended list here:

Praying Together as a Family

An important component of summer is taking the time
 for your family to pray together each day. Check out a
 downloadable prayer card at diolc.org/prayer. This
 simple process helps prayer to become more personal.
 “The family that prays together stays together.”

We are still seeking cantors for some of the
 Sunday Masses. If there are any young people
 that are high school age that might like to cantor
 for Mass, please call the office as soon as you
 can. Thank you.

PASTORAL THOUGHTS...

As Father had mentioned a couple of weeks ago, we have been busy constructing a new ambo for the Church. This new ambo will now house the sound equipment and have extra space for additional liturgical books, a larger area for the readings. There will be a new pull-out drawer to accommodate the children when they read at the Children's Mass during the school year. The new ambo is made out of oak and should last for many years to come.

In addition we are also in the process of remodeling the altar fronts. Our next project will be the smaller altar, where the height will be adjusted somewhat, and the whole front design will be updated. It has served us well for many years, but it is beginning to show its wear. In the next couple of weeks this smaller altar will be our focus. You will see a change to the front design, but at the same time we will keep the foundation of the altar itself. The altar will match the ambo in color and in type of wood.

We are also in the process of redoing the main altar. This altar has shown its wear over the last few years and the veneer is starting to chip away and the top candle shelf is splitting apart. The same type of design will be used on both altars. As we remodel them we will be using the main foundation of both altars. They will be updated with oak fronts and trim. The tops of both altars and the candle stand top will all be addressed with a new quartz-like product that will not only look very nice, but will hold up for many years to come, and is in the marble look.

Enjoy watching as this process takes place. All of this was made possible with two parishioner donations.

Deacon Tom Anderson
