Rite of Christian Initiation... In celebrating this month of Our Lady's final journey to God in her glorious Assumption, let us ask her motherly intercession to draw souls to the Sacred Heart of her Son. The Rite of Christian Initiation of Adults (RCIA) is a journey, too - of conversion to God and what He intends for us. RCIA is the process by which persons who were never baptized or were baptized in another Christian tradition become members of the Church, a people on pilgrimage to our Heavenly Father. What's on Formed.org for August?

On August 6, we celebrate the Feast of the Transfiguration of the Lord. In the Transfiguration, the Church shows us our destination. We see where Jesus is leading us - to the promised land, to heaven. The lesson of the Transfiguration is that we need to allow Our Lord to bring us to the mountain, pray with Him, and see His face. Do you know who Jesus is to follow Him? Check out **Symbolon: Knowing the Faith, Session 5: Who is Jesus**, to learn more.

August 22, we celebrate the Queenship of the Blessed Virgin Mary. Pope Pius XII established this feast in 1954. But the Blessed Virgin Mary's queenship has roots in Scripture. At the Annunciation, Gabriel announced that Mary's Son would receive the throne of David and rule forever. At the Visitation, Elizabeth calls Mary "mother of my Lord." As in all the mysteries of Mary's life, she is closely associated with Jesus: her queenship is a share in Jesus' kingship. We can also recall that in the Old Testament, the mother of the king has great influence in court. In his 1954 encyclical *To the Queen of Heaven*, Pius XII points out that Mary deserves the title because she is the Mother of God because she is closely associated as the New Eve with Jesus' redemptive work, because of her preeminent perfection, and because of her intercessory power. Check out **Symbolon: Knowing the Faith, Session 9: Mary and the Saints**.

Level I Catechesis of the Good Shepherd will be held this fall for children ages 3-5 on Tuesdays at Our Lady Queen of Heaven Catholic School beginning September 19 from 10:00-11:00 am. CGS is a Montessori-based religious formation program for children beginning at the age of 3 years. It seeks to create and facilitate a sacred "hands-on" space for children called an atrium, in which both the children and their catechists can hear, ponder and celebrate the most essential mysteries of the Catholic faith as revealed in the scriptures and the liturgy. Originally developed in Rome by Sofia Cavalleti and Gianna Gobbi in the 1950s, the Catechesis continues to spread world-wide. The cost for the year is \$50. To register, contact Rosemary Hokamp at rhokamp@assumptioncatholicsschools.org. Other Level I sessions are offered at St. Philip's in Rudolph and at St. Peter & Paul Catholic church if the above time does not work out for families. Level II and Level III CGS is offered in the Catholic schools for children in Kindergarten through 5th grade. Parents can sign their children up for these levels as well if you are interested in doing so. Just send an inquiry to the above email.

PASTORAL THOUGHTS...

I want to take this opportunity in the bulletin to update you on the *Inspired by the Spirit* campaign and some of the capital projects that we are working on in the parish. Like last year, we will have the parish annual report published around October but I wanted to take a moment to speak more on the capital improvements.

Campaign: The *Inspired by the Spirit* campaign is wrapping up throughout the Diocese of La Crosse. Not only was it a success in our parish but it was a resounding success throughout the diocese. Our parish met and exceeded our goal of \$785,000 in pledges. The diocese as a whole exceeded its \$40 million goal and raised \$55 million in pledges, of which approximately \$36 million will return to the parishes. Currently at OLQH, we have received \$250,654 of the \$510,250 parish share. Thank you to all who have and continue to participate!

HVAC Temperature Controls: The diocese has approved the project to upgrade our HVAC temperature control system. This is a major expense that was not a part of the campaign. This project will allow the parish and school to more easily monitor and adjust the temperature in the various parts of our building. The materials have been ordered and hopefully the installation will begin in late summer/early fall. Assumption Catholic Schools is assisting in the cost of this project.

Church AC Units: As you might remember, we have been having issues with the church AC units. While the temperature control project described above will fix some of the problems, we had a fan motor die earlier this summer and just two weeks ago had a compressor fail. The necessary parts to fix these units have been ordered. The mandated changes in refrigerants have made the fix a bit more complicated and expensive but it's still less expensive than installing all new units. OLQH has had these units since 1982 so we have gotten our money's worth on them.

Rectory Bathrooms: We have selected Altmann Construction to refurbish the rectory bathrooms, as part of the campaign. We are currently waiting on the final bid from Altmann and then, once we receive diocesan approval, we can move forward with this project, probably beginning in the winter of this year.

School Windows: We are hoping to begin the campaign project to replace the school windows and install a drop ceiling and new LED lighting in the school in the summer of 2024. We are currently in the bidding process. This project can really only be done during the summer so as to not interrupt classroom instruction. Assumption Catholic Schools is assisting in the cost of this project.

That's the update for the now. Please do not hesitate to contact me if you have any questions or would like further clarification on any ongoing project. God bless you.

—Father Guanella
