## 12<sup>TH</sup> SUNDAY IN ORDINARY TIME

He woke up, rebuked the wind, and said to the sea, "Quiet! Be still!"  
The wind ceased and there was great calm. Then he asked them,  
"Why are you terrified? Do you not yet have faith?" - Mk 4:39-40

## New! Adult Faith Formation Quads

This year OLQH will be doing things a little differently when it comes to Adult Faith Formation. We are turning towards creating small groups rather than large groups. A quad is a group of four people who journey together as disciples through weekly gatherings of fellowship, ongoing conversion, and learning. This 12-month path of accompaniment fosters growth through prayer, accountability, and authentic relationships. Each quad, with the help of the Director of Religious Education, chooses the topic they wish to study. If you are interested in joining a quad, please contact Rebecca at [rzalar@our-lady.org](mailto:rzalar@our-lady.org) or 715-423-125. Quads will officially begin in September.

JULY 5  
SEPTEMBER 6

OUR LADY QUEEN OF HEAVEN  
750 10TH AVE S, WISCONSIN RAPIDS, WI 54495

My name is Matthew Aaseng, and I am thrilled to be joining the parishes in Wisconsin Rapids as the Youth and Young Adult Minister. My vision for this role is to ignite a passion for faith in the youth and young adults, encouraging them to be more active in their homes, communities, and parishes. I am eager to immerse myself in the parishes and witness the ways in which God is working through each of you.

As a native of Wisconsin Rapids, my journey with faith has been deeply intertwined with the potential of these parishes. The Eau Claire Newman Center, in particular, captured my interest during my first year at UW-Eau Claire. I wasn't an instant connection, but a gradual one. I started by attending Daily Mass, then Eucharistic Adoration, and soon found myself falling in love with the Faith. Beyond the sacraments I met fellow students on a journey to know Christ and formed friendships that have endured beyond graduation. In my final years at UW-Eau Claire, I took on more active roles in the parish, joining the student leadership team, volunteering throughout the Chippewa Valley, and becoming an active member of the church.

Following graduation, I lived in Merrill for just over a year. While there, I became involved in their parish and a young adult group that met weekly. While in the Diocese of Superior, I had the opportunity to travel to Washington, D.C. for the March for Life this past January and worked with several parishes hosting a Youth Rally in Eagle River last February. Outside of the office, I enjoy playing volleyball, hiking, and partaking in the occasional long-distance run.

As we approach the summer months, I am filled with enthusiasm to begin working with the parishes in Wisconsin Rapids and get to know each of you. I am excited about the opportunities and experiences that lie ahead for us, and I look forward to the journey we will embark on together.

## PASTORAL THOUGHTS...

### MY DAD, NOW HERE IS A MAN!

Father's Day, and every day, is and should always be a reminder of the role of a father in the family, and in society. We must pray for the fathers who play such a pivotal role in family life, and the stability of the family, for along with their wives they teach and witness to their children the importance of faith, love and the importance of the domestic church, the family unit. The Catechism of the Catholic Church calls the family the "original cell of social life...the microcosm of the Church as a whole." It is a proven fact that fathers who take their children regularly to Church will find that a greater percentage of their children will also go to church later in life.

Society is undermining the role of fatherhood, the importance of having a father in the home, and in a child's life. It is important to note that not all have had a father as a role model, and that there are many single mothers and fathers in the world we live in.

For many of us we pray for the repose of the souls of our fathers. June 13th of this year marked the 40th anniversary of my own father's passing at the age of 56. Like many, my dad was my hero, my role model, someone I looked up to. As I have mentioned before one of the nicest things that was said to me after church one Sunday, was a woman who stated she knew my father, and that I reminded her of him. That was one of those times when a mist came to my eyes, the mist of love of a father.

In 1972 as I was near the end of my deployment overseas in the Army, a beautiful song came out that was written by David Gates of the singing group Bread. It was written in tribute to his own father who had passed away while he was still quite young. His father did not live to see the success as a singer/songwriter of his son, but his memory is kept alive in this song. I have always loved this song, but it became even more loved after I lost my own dad.

You sheltered me from harm / kept me warm, kept me warm / you gave my life to me / set me free, set me free.....you taught me how to love / what it's of, what it's of / you never said to much / but still you showed the way / and I knew from watching you  
I would give anything I own, give up my life, my heart, my home / I would give everything I own just to have you back again, just to touch you once again.

My prayer is that all who still have their father, will give them a hug and let them know how much you love them. God Bless all the fathers. (HAPPY FATHERS DAY)

Deacon Tom
