PASTORAL THOUGHTS...

The Christmas Story Comes to Life

One of the long-standing traditions in most homes, is the placement of a nativity scene under or near the family Christmas tree, or on larger display outside of the home. Whether that nativity scene is new to the family or has been in the family for many generations, it is the culmination of what Christmas is all about: our Savior coming in our humanity as a baby, born in a stable in Bethlehem. This nativity Scene, or crèche, offers to all us a visual connection with the true meaning of Christmas—Jesus coming to be with all of us.

The word *crèche* comes from the French language meaning “manger” or “crib,” with its origin as a nursery, but now refers more to the nativity. Though not the original thought of St. Francis of Assisi, it was St. Francis who brought the manger scene to life. After a visit to Bethlehem, it was St. Francis, a deacon, who, on Christmas Eve of 1223, was visiting the central Italian town of Greccio to celebrate midnight Mass at a Franciscan hermitage. When Francis realized that the hermitage would not hold the congregation for Midnight Mass, he found a cave near the town to set up the altar. Along with the setting up of the altar, it was Francis who had locals from the Italian village, to dress up as Mary and Joseph, and the other nativity characters, along with real animals. This was the backdrop as they celebrated Midnight Mass. Needless to say, this tradition caught on and many other nativity displays began to show up, not only in Italy, but now across the world, allowing the people to interact with Jesus’ birth, as they reflected also on their own village lives, and the involvement of the local people in the display.

Even during times of revolution where nativity scenes were banned in public, many Christians turned to setting up these crèches in their homes in devotion to our Lord and Savior. (Sound familiar? Even our own display here in our city, down by the river, had to have a letter displayed inside, explaining why it is there on public land.) This remains today a visual reminder to all of mankind, and has a special place in the heart of Christians around the world, of the night when our dear Savior was born, as a little child, in poverty, in a stable and laid in a manger, no crib for a bed.

From my family to yours,
Have a Blessed Christmas!
Deacon Tom and Mary Anderson

Catholic Q&A – Why do we give gifts at Christmas?

A: Great events in and of themselves are not tangible. They occur in life but leave no mark behind, nothing that someone could come across and know that something significant occurred. So we mark the event with monuments, holidays, gold watches or plaques, making a meaningful event tangible and memorable.

Gifts at Christmas do the same thing. They mark the occasion of the birth of Jesus, communicating a bit of the joy of the day by allowing us to be both giver and receiver. Gift-giving sets aside the day as special and different. The special foods, customs, decorations, and gifts all help focus our attention on the importance and meaning of the day and at the same time allow us to share personally in its joy and happiness.

In giving gifts, though, we can share in the meaning of Christmas in a significant way. We imitate God in sharing with others. We give a bit of ourselves to others in the gifts we give, just as God gives us the gift of his Son. No wonder we often say that the best gifts are those that come from the heart. Given in love, these presents are wrapped in the best covering of all. © LPI

Online Giving

You may donate to the parish online by scanning this QR code with your smartphone. Please note that there is a 3% reduction to the parish for the use of this service. However, if this is the most convenient way for you to make an offering, please do not hesitate to use this method. ACH Direct Debit from your checking or savings account has no reduction to the parish when using the form available from the parish office. Thank you for your continued generosity.

Year End Contributions

As the end of the calendar year approaches, you are reminded that charitable contributions must be applied to the year in which they are received. The only exception is when a check is mailed; it is applied to the year the check/envelope is postmarked, even if it is received in the next calendar year.

If you wish to claim your parish contribution or diocesan annual appeal donation as a charitable deduction for income tax purposes for 2024, you must have your contribution to the parish office (or diocese by December 31). If you mail it, it must be postmarked on or before December 31st. Thank you
