Unplug!

The season of Lent begins on Wednesday, March 5. It is helpful for us to decide on what we will do before Lent actually begins so that we are ready on Ash Wednesday. Would you like to “unplug” from screens by setting an easy goal of time to fast? There will be a simple theme for each week to help stay committed:

- Set aside social media and phones
- Step out of your comfort zone
- Stand tall against what is difficult
- Spend time with family
- Savor sacred Scripture—renew your mind
- See better what is true, good, and beautiful

Greetings from the Social Justice Committee:

Thank you for your generosity for the elderly of our sister parish. The dollar collection held the weekend of January 25 & 26 will allow us to send approximately \$2000 to our sister parish. With the current exchange rate, this equals approximately 175,000 Indian rupees. This will help provide food and shelter for a whole year to several of the poorest elderly of the parish. Thank you.

Our next activity will be the Lenten Collections. Lent starts on Ash Wednesday, March 5th.

Fundamental Right to Religious Freedom –

Just a few short weeks ago we had thousands again descend on Washington D.C. to march in a peaceful manner, recognizing the right to enjoy **LIFE**. If we do not start out with protecting each unique individual as a person of God, then not one of the other freedoms even come into play.

It was very nice to see that our Vice President, who is Catholic, personally speak at the march, and our President also speak to the crowds virtually. Regardless of our political feelings, when it comes to life, the evil of abortion, the willingness to take the life of a child in the womb, we must protect the right for that child to be born.

Much has happened in just a few short days after the **PEOPLE OF THE UNITED STATES** voted in a new president. Many Christians and pro-life activists who were jailed for standing up to the **INTRINSIC** (inherent, always wrong) evil of taking the life of a child in the womb, were pardoned, released from jail.

Service members who were forced out of the military because they did not take a covid shot, because of religious objections, were reinstated.

No longer can the government use their power and the people's money to force anyone person to violate their commitment to life.

Accountability to those who persecute people of a specific faith group, especially for being Catholic or of the Jewish faith, antisemitism.

Establishment of a White House Faith Office that authorizes faith-based community organizations and houses of worship, and for Federal protection for religious liberty.

The possible defunding of the largest abortion establishment in the country, **Planned Parenthood**.

Whatever political or religious persuasion we are, the right to life and the right to pray to our God is a fundamental right.

**“LIFE IS AN OPPORTUNITY, BENEFIT FROM IT,
LIFE IS BEAUTY, ADMIRE IT;
LIFE IS A CHALLENGE, MEET IT”
(Mother Teresa)**

QUOTE FROM DEACON TOM'S HOMILY LAST WEEK
“If you have God, you have everything, even if you don't have anything else; if you have everything else but you don't have God, you have nothing at all; and the one who has God plus everything else, doesn't have any more than the one who has God alone.” —St. Augustine of Hippo
