After all the people had been baptized and Jesus also had been baptized and was praying, heaven was opened and the Holy Spirit descended upon him in bodily form like a dove. - Lk 3:21-22a

FROM THE PASTOR:

Update to Fr. Ken's Status

First, I want to thank all of you for prayers for Fr. Ken. As you may recall, Fr. Ken was granted a health leave of absence by the Bishop on August 1, 2021. He recently requested that he take a leave of absence for discernment of his priestly vocation. The Bishop granted this request on January 1 of this year. We do not know any more details than that. I have not been in contact with Fr. Ken since his health leave of absence went into effect in August. He has not been living at our rectory since then. Please continue to keep him in your prayers and whenever I receive an update on his status I will be sure to share this with you.

Margaret's Replacement...Introducing Rosa Mercado!

We were sad to say our goodbyes this week to **Margaret Ethington**, our administrative assistant/newsletter editor who has worked for us the last year and a half. She will be greatly missed, but we hope that she will not be a stranger and visit us from time to time since she took a job in the local area. We wish her the best and are grateful to be her first employer out of college.

I am pleased to announce that she will be replaced by **Rosa Mercado**. Rosa is the wife of our youth minister, Eddie Turek. We are excited to have her on board. She was someone I recruited to consider for this position based on her skill set, her faith, and her joy.

As a joyful woman of strong faith I can see how beneficial she will be on the "front lines" so to speak of our office. For many people, she may be their only contact with us. So having the right person in that position is critical. This is not some position that can be contracted out with a temp agency. Far from it, this person is an integral part of our effort to launch an aggressive evangelization mindset in the parish and Rosa will be an integral part of that.

You will see her once a month at the welcome desk in the church as she assists you with Mass intentions or whatever parish business you might wish to conduct at one of our Sunday Masses. Be sure to give her a Holy Family welcome when you see her!

Here's a little background that I asked her to share with all of you:

"First of all, I am very grateful to Father Kaim for considering me to be part of the wonderful staff of Holy Family.

I was born and raised in Mexico, thanks to our Blessed Mother, Our Lady of Guadalupe, I grew up in a Catholic home where I learned to love the Lord and our Catholic faith. My family moved to Harvard, IL in 2010 where I was attending St. Joseph's parish. There I helped with the Spanish community and preparation for the Sacrament of Confirmation.

I have tried to live out my faith and remain close to the Lord as best as I can. The good Lord brought me to my wonderful husband who has helped me improve my relationship with the Lord. My favorite Saint is St. Mary Magdalene, my favorite Gospel is the Gospel of John, and I love praying the Rosary.

I am looking forward to meeting and interacting with all of you. I will pray for you, please keep Eddie and me in your prayers.”

Ad Majorem Dei Gloriam,

Fr. Kaim, S.T.L.

GOSPEL MEDITATION

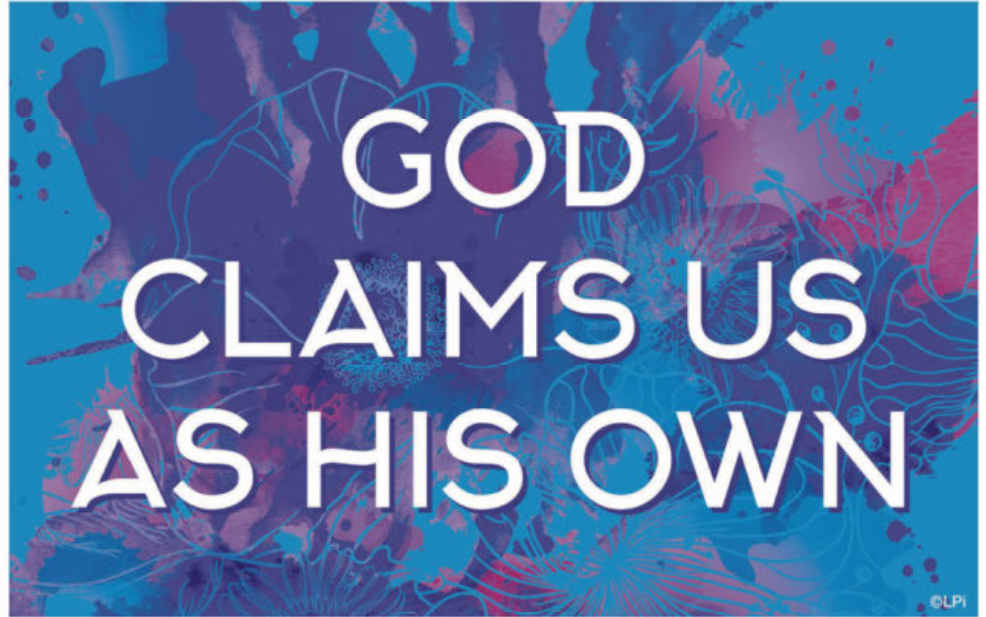

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

"We are called to live our baptism every day, as new creatures, clothed in Christ."

— Pope Francis

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death,

the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what

baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.

"I am baptizing you with water, but one mightier than I is coming. I am not worthy to loosen the thongs of his sandals. He will baptize you with the Holy Spirit and fire."

- Lk 3:16bc

Premature Babies' Survival is proving to be a thorny issue for abortion advocates

- Samantha Kamman, www.liveaction.org, "A recent Washington Post article acknowledged that the increased survival rate of premature babies presents a challenge to the concept of fetal viability. Kourtney Vier gave birth to Zeke between her 22nd and 23rd week of pregnancy. Neonatal intensive care saved Zeke's life. He is now seven months old. The youngest premature baby to survive was born at 21 weeks and one day. Premature babies continue to demonstrate age and present capabilities are not a sufficient standard for determining whether a human being is deserving of life. If babies delivered early deserve lifesaving treatment from hospitals despite their age, it's difficult to justify aborting children at the same stage. Either all babies are valuable and worthy of protection, or they're not. The US standard for abortion, the same as China's and North Korea's, allows abortions beyond 15 weeks gestation. There is no 'viability rule' in the Constitution. A Supreme Court decision supporting the Mississippi 'abortion-after-15-weeks ban' would be a step in the right direction."
