Becoming Catholic

We are glad of your interest in learning more about the Catholic faith. For each person, the path to seeking, knowing, and becoming Christ is unique. The Church recognizes the importance of this journey. Please contact Pastoral Associate, Mary Lestina, who will be happy to talk with you about the process at 262.781.3480, Ext. 225 or mary.lestina@stdominic.net.

REFLECTION

Mrs. Jill Fischer has been involved with Catholic education her whole life. As our school principal, she looks forward to helping the children, families, faculty, and staff grow in relationship with Jesus every day. After all, we are called to be the hands of Jesus in the world and you can only do that by knowing Him.

As a child, whenever I was nervous or bored, I would bite my nails. In high school, I relinquished this habit for “playing” with the skin around them. I thought nothing of pulling hangnails or tearing at my cuticles. It wasn’t uncommon for me to be wearing two or three Band-Aids to prevent my “picking” or to cover the results of my picking. What I did to my fingers effected how my whole body worked. Each time that I would take this habit too far, I learned how much I actually used my thumb, my index finger, or pinky. The pain of a pulled hangnail in the winter led to a cracked open wound because my hands were dry. I never knew how much I used my thumb until the ability to use my thumb was felt painfully.

This relates to the analogy that Paul is writing about in the second reading today. When the body is working well, it can easily be taken for granted. When the body is not working well, the pain can be felt all over, even if it is “just the thumb.” As the Body of Christ, the Church needs all of its members to work well. If any one of its members isn’t well, or present, the Church feels it. Every member has a role, even if it is “just the thumb.” The thumb is very important as anyone who has ever injured it will testify. Every member of the Body is significant to the work of the whole.

As the Body of Christ, the Church is His presence on earth. Every single one of us is Christ in the world, as we carry the Eucharist within us. We are the vessel by which He does His work. Without every part fully engaged, His work is not being accomplished. There are plenty of cracked thumbs, injured pinky toes, and paper cuts living out there who aren’t able to fully function and participate in this work without feeling the sting. Just as we do to our body, we must brace, bandage, and care for those members of the body and bring them along to keep doing the work. We certainly wouldn’t cut them off. Cutting off a thumb simply because of a hangnail makes no sense! We must care for it. We must care for one another to make the Body whole.

Jesus came to make the Body whole. He remains to keep the Body whole. It is us who choose to care for the Body or not. My habit is a reminder to me to care for my body. Once I begin to “pick,” I know I am under stress and need to take care of myself. The pain I inflict on myself is the reminder of my need to turn it over to Jesus. When I shift my focus away from me and back to Jesus, my wounds heal. His wounds cure my wounds. His wounds cure all our wounds.

Prayer for Vocations

Gracious and loving God, help the men and women of our parish to hear the call to serve the Church. Our needs are great and our people thirst for your presence. Open the hearts of many. Raise up faithful servants of the Gospel; dedicated, holy priests, sisters, brothers and deacons who will spend themselves for your people and their needs. Bless those who are serving now with courage and perseverance. Grant that many will be inspired by their example and faith. We ask this through Christ our Lord. Amen.

(Fr. Dennis Saran- 2017.)

FESTIVAL NEED

Master Electrician Needed

The festival committee is searching for the services of a Master electrician. Wisconsin laws/regulations have recently changed and a Master electrician is needed to ensure the festival electrical setup is done to code.

After many years of working with the committee, Mike Klos is passing on the baton. We are grateful for his service.

If you are interested in discussing how you can put your professional skills to work for the benefit of the parish, or if you know a Master electrician that may be able to help, please contact Jeff Hansen at festival@stdominic.net or 262.784.3664.

Catholic Kids

CHILD MINISTRY

Class Updates

The Kairos for Kids class learned about Jesus' first miracle of changing water into wine. They made a great craft to take home to share with their family. .

Kindergarten wrapped up their discussions on creation by finishing their posters on God's plan. We are blessed and grateful to have each and every one of them as part of our church family!

First graders talked about how Jesus teaches us to love, who to love, and how to love. We are all loved by God no matter what.

Second graders discussed coming together as community and family to celebrate a special meal called the Eucharist. They are excited to begin formal preparations for the sacrament of first Holy Communion.

The third graders discussed prayer, our faith in the Trinity, that the Holy Spirit guides the Church, and that the Church today continues the message of love and justice for all.

Third graders discussed the third commandment. Keeping the Lord's day holy means attending Mass, slowing down, and spending time with their family. It can also be a day of additional prayer and observation of God at work in their lives.

The fifth graders are working on focusing on Jesus as life-giving bread. We receive Jesus in the sacrament of the Eucharist.

SAINT OF THE WEEK

St. Thomas Aquinas

One of the most famous members of the Dominican Order (1225 – 1274), he is the patron of teachers, students, and theologians.

Born in Italy, his mother wanted him to become a Benedictine, but nothing could shake him from his vocation to become a Dominican priest. He finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The *Summa Theologiae*, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

Healing in a Wounded World

Men's Retreat: Feb 18-20 | Women's Retreat: March 18-20

Come take a weekend away with the Lord and renew your peace. The world has always had challenges. Recent events have underscored that our current times are no different. Whether we are talking about Covid, politics, economy, or trust in the Church, we are faced with the effects of a wounded world. How do we return to the basic Gospel values that Jesus preached in order to bring us and our world a sense of healing? This retreat will offer the values and ways to address our own needs and that of the world.

The Redemptorist retreat center, located on a beautiful lake in Oconomowoc, is only a short distance away, but will be a welcoming, wonderful place where you can rest and renew your love for God through a weekend retreat. St. Dominic Catholic Parish has scheduled a men's retreat for Feb 18-20 and a women's retreat for March 18-20. Always included in retreats are private rooms and baths, meals, Mass, Reconciliation, conferences and time for quiet reflection and prayer. The cost of the weekend retreat is \$230, but assistance is also available. For more details go to www.redemptoristretreat.org or contact our parish coordinator, Paula Magliocco at 262.370.1154.
