## CLOW

The Lector will invite the youth to come forward for a blessing before being led to the Gathering Space. They will all return for Liturgy of the Eucharist.

You watch as they grow  
they ask things you don't know.  
They fidget and wiggle  
they talk and they giggle.  
We invite them to CLOW.  
Then as they grow,  
more things they will know  
like when they can fidget and wiggle  
and to talk and to giggle.

## Children's Collection

**Envelopes are available in the pews.**

Children are invited to thank God by sharing their time, talent & treasure. Treasure can be sealed in the envelope while any talent and time spent can be written on the envelope. During Offertory, youth will be invited to bring forth their envelope to place in the basket on the altar. Children participating in CLOW at the 9:15 AM Mass can walk with offertory to take their envelopes to the altar.

## EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

### The Light of the Moon

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.
