St. Robert Bellarmine Parish Capital Campaign Update

Thank you for your continued commitment to our Capital Campaign. Funds are now being used for vendor payments. Our current balance is **\$282,235.**

St. Mary of the Assumption Parish Debt Retirement Faith Needs Room to Grow Update

St. Mary's "Faith Needs Room to Grow" Capital Campaign has come to a successful conclusion. Enough money has been raised to pay off the balance of the building loan! This is no small accomplishment!

Father Russ, parish leadership and the building committee began their work in the Fall of 2016. Ground was broken on November 8, 2018, and the conclusion was completed in time for our pork chop dinner on August 11, 2019. Now, it is December 2021 and our project that carried a price tag of just over 1 million dollars is paid in full!

Many people contributed to the successful completion of our new hall, but it is God's blessings and you, the parishioners of St. Mary's, that made it happen with your time, talent and treasure.

The Epiphany of the Lord
*They were overjoyed at seeing the star, and on entering the house
 they saw the child with Mary his mother.* Matthew 2:10

Today we celebrate the Epiphany! And in today's Gospel we recount the Magi's encounter with God incarnate in which God sent his Son to be born, to live, and to die as a human! And He does this because He desires us to be close to Him!

Jesus, the Son of God, is revealed not only to the Magi, but to the whole world. When have you recognized God's presence in your life in unexpected places or through unexpected people? Has it been through prayer, the sacraments, the Eucharist, Adoration, Scripture, or through others? Can you recall times when you have felt His presence?

In their desire for God, the Magi left everything, to look for God. Little did they expect to find Him as a helpless infant, born in a cave! But the star led them to Jesus Christ, true God and true Man. They worshipped him and gave him gifts for a king.

To know and to encounter Jesus Christ is to know God personally. In the encounter of the Magi with the infant Jesus, we see God's salvation plan to give his only Son as King and Savior for all. The Lord Jesus came that we might find true and lasting peace with God.

Resolve this year to look for Him! God is there to meet us, but we have to open our eyes like Magi to really see Him. The Lord plants in each one of our hearts the desire to grow close to Him and the same light to recognize and accept Jesus as our Lord and Savior. Faith is the gift that God shares with us. It is through the Holy Spirit that dwells within, who moves our heart and opens our eyes to recognize Jesus acting in our own lives. We come to understand, accept, and believe the truth God has revealed to us in the Word which brings us peace.

Star of wonder, Star of light, Star with royal beauty bright. Westward leading, still proceeding, guide us to that Perfect Light! We at KR Catholic parishes wish you all a Blessed and Joyful Christmas season in which you too recognize God's love, mercy, and salvation revealed to us through His Son, Jesus Christ!

O, Come Let Us Adore Him, Kathi

Saint of the Week

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint."

THE LIGHT OF THE MOON

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.

—Tracy Earl Welliver, MTS

WHAT HAPPENS TO A CONSECRATED HOST IF IT ACCIDENTALLY FALLS TO THE GROUND?

This is a very practical question because, as we all know, accidents happen, even during the most careful celebration of the liturgy. The short answer to this question is that nothing happens to the consecrated host. The Real Presence of Jesus remains in the consecrated host or any consecrated wine that might accidentally be spilled.

Another question we might ask is: How should the ministers respond if the Eucharist is dropped or spilled? If this happens, the priest, deacon, or extraordinary minister of holy Communion should immediately pick up the dropped host and consume it. If it is a case of the Precious Blood being spilled, the minister would use the purificator (and additional purificators if needed) to clean the spill and then the area should be reverently washed as soon as the Mass is over and the water poured into the sacrarium (a special sink that is located in church sacristies for reverently disposing of holy water, the water used to clean sacred vessels, etc.).
