FROM THE DESK OF THE PASTOR

Dearest Parishioners,

We're getting right into the time of year where all kinds of things pick back up after the summer, where activities start going, school is back in session, and all kinds of other new things begin. This of course is the case here within our Church just like it is out and about in the world. This whole thing got me thinking the other day, I wonder whether or not most people when considering what they want to get involved with as things start back up, I wonder if they give any consideration to how they can get involved in different ministries here at the Church? I truly wonder how many people in our parish know about all of the different opportunities we have for them to connect with others, be a part of something, and really make a difference? (I'll be the first to admit that I have no idea all that we have to offer and to belong to!) I'm sure many of you know that we do our parish "Ministry Expo" in November, I can't wait for that – but what I'll say right now is that you don't have to wait for that either to get involved! So, I simply invite you to consider how you can add a little more spiritual time into your schedule by becoming a part of something that make a big difference. I ask you to simply to pray about my invitation and see where the Lord leads you! I'll tell you the in the end whatever time you put in, you end up getting so much more joy out of it!

Two other things that I can think of that bring great joy are helping the needy and looking at and smelling flowers! And the amazing thing is that you can do both by purchasing Mums from our St. Vincent DePaul Society with their yearly mum sale that is going on right now! The order form is right here in the bulletin so don't delay, orders have to be in by August 15th!

God Bless you,

Fr. Romke

BEREAVEMENT MINISTRY — GRIEF SUPPORT

Are you experiencing the loss of a loved one and having a difficult time coping with everyday life? You are not alone. God loves you, and we care.

Many people feel lost and alone when experiencing the death of a child, spouse, parent or sibling. While those around us may try to be supportive, the friendship and support of those who have also experienced a similar great loss can really help us in the healing process.

This ministry centers on God's healing love, our caring, listening, and sharing. Join us for practical help, support, prayer, friendship, and hope.

The St. Elizabeth Ann Seton Bereavement Ministry is a spiritually based ministry of caring and compassionate people working together to bring hope back into the lives of those who have suffered a great loss.

**The next meeting of our Bereavement Ministry is on
SATURDAY, AUGUST 14TH AT 10AM
IN THE ST. MARY & ST. MICHAEL ROOMS**

We recommend that you attend in person. Participants adhere to diocesan COVID-19 protocols. However, if you would like to participate in this meeting via Zoom, we can accommodate. Questions? Contact Jim Christensen at: 815-477-3612 (home); 815-342-0415 (cell); jas.christensen@sbcglobal.net

FUNERAL LUNCHEON MINISTRY HELP NEEDED!

In the past our parish has offered families the option of having lunch served here in Seton Hall following a funeral. Now that we are able, we are looking to start this ministry up again.

We are in need of 1 or 2 people to be in charge of table and food set up, serving and clean up. There is a list of volunteers available to assist in these tasks. Susan Dunham has been the head of this ministry for the last 3 years but is not able to continue doing the physical work involved. Susan is willing to meet with the families, order food and handle all the paperwork.

Please contact the parish office or Susan directly at sdunham@elizabethannseton.org if you are interested in learning about this ministry.

In order to keep this ministry going we need 1 or 2 people to step up! THANK YOU!

OUR FORMED PICK OF THE WEEK

THE LAMB'S SUPPER

BY: DR. SCOTT HAHN

In this talk based on his best selling book, Dr. Scott Hahn reveals the early Christians' key to understanding the Mass: the Book of Revelation. With its bizarre imagery, mystic visions of Heaven, and end times prophecies, it mirrors the sacrifice and celebration of the Holy Eucharist. See the Mass with new eyes, pray the Liturgy with a renewed heart and enter into the Mass more fully and enthusiastically.

"The Mass will never be the same. This talk has opened my eyes. Thanks."

"Wow, now I cannot wait to read the Book of Revelation."

*Pray the Rosary
Every Day!*

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our

thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?
