## Fr. Patrick

“Blessed are they who dwell in your house, O Lord.” I have always enjoyed my family’s vacations. Taking time away to be with the people that I love in a new place has an opportunity to bring you together or to challenge you. We read in our Gospel today for the feast of the Holy Family that it was no different for Jesus, Mary, and Joseph.

On their annual trip to Jerusalem for the celebrations, they found themselves challenged with the struggles of family. These struggles come down to a very simple fact, recognizing the gift of the ones that are in your midst.

Today in our world we are seeing a continual attack on the gift of family. There are new ways of defining family, there are new models of family, and the gift of family itself continues to be challenged. With this reality, it is providential that the last weekend of the year is marked by a reflection on the beauty and dignity of the family marked by a simple fact, Jesus is at the center.

As we face these challenges of the family the question we all should be asking is how do we remedy the taking over our families and the simplest and most effective solution is provided for us in our readings this weekend. “We should believe in the name of his Son, Jesus Christ, and love one another just as he commanded us.” (1Jn 2:23)

It was challenging even for Mary and Joseph to recognize this reality, that it is God who is necessary and Christ asks not only His parents but us all “Did you not know that I must be in my Father’s house?” (Lk 2:50)

We are as a people still on a journey, still on “vacation” traveling in a foreign land and yet we are called to remember that “home is where the heart is.” Our homes, the place where our family dwells must always be “the Father’s house.” Let us continue to ask how we are to make our home the Father’s home? How do we continue to work on centering our families on Christ? And finally, let us thank God that the Lord Jesus Christ chose to make His home with us. He is Emmanuel, God with us, the one who has chosen to make His home with us!

This weekend marks the end of our current Mass schedule. We will begin our new Mass schedule starting January 1<sup>st</sup>. I encourage us all to make sure to read the schedule that we have provided in the bulletin. I also want to remind you that starting next weekend Fr. Kanna and myself will be alternating Mass schedules. Also, please note that all Masses of the cluster are available to our whole church family. As we begin this transition let us approach it as one family, united in Christ. I invite all our parish families to go to other churches for Mass. Get to know our other church families, and to spread the Love of the Father to our family in Christ. In this new year, I wish you all a Merry Christmas, and a blessed New Year where we begin a new journey together as the Holy Family did, with Christ as the center and source of our love.

---

The Church doors will be open daily  
(Sunday thru Saturday) from 7:00am to 7:00pm.

## Holy Rosary School News

Holy Rosary Catholic School was established in 1890 to educate, prepare, and inspire our students to achieve their full potential as lifelong learners while developing a spiritual faith formation.

Our mission calls us to minister to Medford and the surrounding communities, by supporting the spiritual, cognitive, physical, and social development of each individual child enrolled from three-year-old preschool through sixth grade.

We challenge and encourage our students to attain the highest level of academic achievement and to live out the social justice teachings of the Catholic Church values with one another, our families, and the extended community.

We believe that a strong faith formation supports the natural curiosity and imagination of our students and prepares them to take their place as leaders in our society.

### Living out the Mission

Holy Rosary School children and staff want to wish you a very Blessed Christmas. We look forward to an amazing New Year. I would also like to thank you for your continued support and prayers.

The message of Christmas is that **where there is hope, love, light and life, the plan and purpose of God will reach.**

We pray for joy in our hearts, hope in our God, love to forgive, and peace upon the earth. Holy Spirit, fill our hearts with your love and power. In the name of Jesus Christ, we pray. Amen.

*Wishing you a Christmas that is Merry and Bright with the light of God's love.*

Every Moment Counts, Christ in the Center

## Religious Education “News You Need to Know”

**Merry Christmas!!** *And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, “Do not be afraid. I bring you good news that will cause great joy for all the people.” Today in the town of David a Savior has been born to you; he is the Messiah, the Lord.*

*Luke 2:8-11*

I want to wish everyone a Blessed and Merry Christmas. During this wonderful season of Christmas, I think about the many reasons I have to be Thankful. For my family, my health and my friends. I’m thankful for all the people in our parish, you help make our parish come alive. The ladies and men who do the funeral lunches, the KC’s, CCW and the school staff. Thank you to the people who help at the many events, in our parish and who serve on various committees. Thanks to all the people who many people do not see that do so much behind the scenes, to those who decorate our church, set up for Mass, etc. To the volunteers that help with the Religious Education program and the people who support our students (during our fundraising efforts) as we help them on their faith journey. Each of you are making a difference in the lives of our students and our parish.

I hope during this special time of the year everyone has time to stop and reflect on the Joy in our lives. Please remember in your thoughts and prayers those who are away from home. Merry Christmas!
