The Epiphany of the Lord

THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

Fr. Patrick

Then you shall be radiant at what you see, your heart shall throb and overflow." Much of our lives is about a balance between the gifts we desire to receive and those we are called to give. However, do we ever consider the reality that the great gift we can receive is the gift of giving itself? On this the feast of the Epiphany I pray we can take a note from the wise men who traveled afar for the primary purpose of giving a gift of homage to the newborn king.

This year it seems we have had more than adequate time to prepare for Christmas, and now that it's here we are moving quickly through the celebrations that make up this rich season. Seemingly, only days after the birth of Christ we celebrate the coming of the wise men, this delay of this celebration makes me wonder why the church calls us to reflect separately on this event that seems so integral to the Christmas story. The Christmas story is a nice story by itself and yet there is a much greater story that goes along with the little baby Jesus being born in a manger. This story includes the whole story of God and His people, including the promise of giving everything to His beloved people, "for the riches of the sea shall be emptied out before you, the wealth of nations shall be brought to you." (Is. 60:5)

The story of the magi bringing the gifts at first seems to be about these men giving gifts to God, and yet the greatest gift they have been given is to give what they have been given back to God. Brothers and sisters, to us have been born a savior, Christ the Lord. What else matters, and yet we tend to hold on to the countless other gifts we have received whether for Christmas this year or throughout the years. What lengths are we willing to go to give back to the greatest gift we have received, Christ the Lord?

I love Christmas songs. They bring joy and spread the message of God with us, Christ the Lord! The one that sticks out the most is the hymn, *In the Bleak Midwinter*. The final verse asks the question, "What can I give him? Poor as I am. If I were a shepherd I would give a lamb. If I were a wise man I would do my part. But, what can I give him, Give him my heart Give." This beautifully simple song tells us what will make the heart of Christ throb with excitement. The gift of our hearts. Often when I am presented with the question, what shall I give Christ, I forget to ask, what does He truly desire. As much as we would have a hard time giving Him our riches as the magi do, the greater gift that they gave was their homage, the worship, their hearts.

As we begin this new year as a newly clustered parish community, as one family in Christ, let us take time to give Christ a gift as well, a little more of our hearts, a little more of our service to Him. If we were looking for the best Christmas gift, this is it, the gift of giving ourselves to Christ! Merry Christmas and Happy New Year to you all.

Holy Rosary School News

Holy Rosary Catholic School was established in 1890 to educate, prepare, and inspire our students to achieve their full potential as lifelong learners while developing a spiritual faith formation.

Our mission calls us to minister to Medford and the surrounding communities, by supporting the spiritual, cognitive, physical, and social development of each individual child enrolled from three-year-old preschool through sixth grade.

We challenge and encourage our students to attain the highest level of academic achievement and to live out the social justice teachings of the Catholic Church values with one another, our families, and the extended community.

We believe that a strong faith formation supports the natural curiosity and imagination of our students and prepares them to take their place as leaders in our society.

Living out the Mission

Happy New Year!

Area fourth grade students were invited to participate in the annual Lites of Love Essay Contest sponsored by Aspirus Medford Hospital & Clinics. Scoring is subjective and based on number of entries received. This year, contestants were asked to answer the following: "If I worked in healthcare, I would like to..."

I am happy to share the essays of the First and Second Place winners from Holy Rosary. I am so proud of all of them and would like to share their essays here. The others in the class all received an Honorable Mention. We recognized them at a prayer service during the Advent Season.

If I worked in healthcare, I would be a therapist for kids. I would get to talk to kids about their problems, anxieties and depression. Being a therapist can help you get better understanding of how other people think and act. It can also be a sad job because some kids have parents that leave them and the kid gets very depressed. It can also be fun being able to help other people. ~ Nicole Niggemann 1st place

I want to be a family physician. I want to help people and families. If you have medical needs, sudden flu symptoms, nagging back pain, an unexpected rash or even think you might have COVID-19 you should see a family physician. That's why I like them because they help and take care and prevent symptoms and they do surgical operations for pregnancies and I love it when I see families happy. ~ Nayli Blakeman 2nd place

Thanks to Mrs. Beyer for having her children enter the contest and guiding them to do their best. All of our 4th graders were acknowledged in the 25th Anniversary of the annual Lites of Love Tribute. Way to go 4th grade!

More good news! I would like to congratulate the winners of the Bishop's Christmas Card Contest this year. Lillian Metz is in grade 6 and Josh Niggemann is in 4th grade. The diocese holds this yearly contest and the pictures these children created will be on the Bishop's Christmas cards. Thanks to Mrs. Liske for helping these children find their creative talents. This year's theme was St. Joseph.

Blessings, Mrs. Easterly

Religious Education "News You Need to Know"

Happy New Year!! Happy New Year to everyone. At the start of each new year I like to look back at the past year. While many of us could not wait for 2020 to end, as that was the year Covid took over our lives. 2021 has also brought about many challenges. Last year due to Covid we divided our Religious Education classes up to only meet every other week. This was done to reduce the number of students here on any given night. For a while we had to limit the number of people at Mass. "Social Distancing" became an everyday phrase. But 2021 also had many bright spots. Our students were able to get back on schedule to receive their Sacraments. Students returned to a great week at Extreme Faith Camp. The high school students were able to attend the annual Steubenville conference in Rochester, MN. We hosted a Totus Tuus team here at the end of June. We had one of the largest group of students in attendance that we have had in a number of years. The parish with the help of the Knights of Columbus hosted a summer block party. We saw the return of in person Celebration of Education and the Fall Festival. We hosted "Mass Confusion" to kick off the new Religious Education year. We became a 3-parish cluster, with the addition of Good Shepherd in Rib Lake. While we faced a number of challenges in 2021 when you look back, I say we had a great bounce back year after 2020.

Now 2022 will bring some new opportunities. We are becoming a 4-parish cluster with Sacred Heart from Stetsonville joining our family of parishes. We will be looking to bring new opportunities to all four parishes in Religious Education in the coming months and years ahead. As we say good bye to 2021 we look forward with optimism that 2022 will be the beginning of an even bigger and stronger family of four parishes.

New Year's Resolutions — Many people make New Year's resolutions. How about this year you make a Faith based resolution? You could commit to come to Mass more often if you don't regularly attend Mass. You could commit to a daily prayer time to share your day with Jesus. As we look forward to 2022 think about how you can improve your Faith life.

RCIA — The RCIA classes will start on **January 9th after the 10:30am Mass (about 11:45am)**. The first group of classes will run for 5 weeks then we will take a 2-week break. Then we will resume class for 6 additional weeks. In the first class, we will ask the candidates what class day and time works best for them. In the past, we held classes twice a week to help people avoid missing a class.

The candidates will receive their Sacraments on Saturday, April 16th at the Easter Vigil Mass. For more information or to sign up for the RCIA program please contact Mike or Amy at the parish office at 715-748-3336.

If you have any questions or comments contact me via email at mbub@hrmedford.org or call me at 715-748-3336 x248.
