2ND SUNDAY IN ORDINARY TIME

There was a wedding at Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited to the wedding. When the wine ran short, the mother of Jesus said to him, "They have no wine." - Jn 2:1-3

Fr. Patrick

First impressions have always been considered an important part of judging one's character. Though, maybe not the best way to determine the whole of their character, how we meet them does seem to stick out in our minds. This is why it is important to pay close attention to the first actions of Jesus as He begins His public missions.

You can make many assumptions about Jesus and His ministry based on His first miracles. We could say He is a partier, He is a momma's boy, or that He is a big fan of marriages. Whatever the case is, His will was clearly to do the will of God in the context He was in. In our readings for this, the 2nd Sunday of Ordinary Time finds us at a wedding. If we believe that Jesus Christ does all things with purpose and meaning then his choice to begin His ministry of bringing God's people back to the Father then why on a wedding with His mother's encouragement?

The wedding feast at Cana is quite a unique miracle for Christ. There seems to be no one healed, no one brought back from the dead, no demons expelled and no one multitudes fed. All he does is provide good wine for a bunch of people celebrating a marriage. "No more shall people call you 'Forsaken,' or your land 'Desolate,' but you shall be called 'My Delight,' and your land 'Espoused.'" (Isaiah 62) If we listen to the words of the prophet Isaiah we might better understand not only Jesus but the will of the one He follows.

It is clear that not only does God desire to love and serve His people as a Father but even as a lover, like a bride pursues the groom. The love of a newly married couple is that of true desire, of passion, and of hope. There is a longing for the gift of love whether perfect or in the process of perfect, there is a certainty not only that there will be love in the relationship to come but that there will be no other who they will truly desire more. Today we celebrate the revelation of the heart of God, His desire for the people, being revealed through His celebration of that love.

With the many tumultuous events and issues that we face on a regular basis, big or small, do we stop to realize how much God truly loves us? How much is His desire for us? We are not forsaken, we are not desolate, we are beloved by God, held dear as a bride and groom love each other. My prayer is that we all might grow closer to the heart of God this Ordinary season as we order our lives evermore to Him.

"Human rights are not a privilege conferred by government. They are every human being's entitlement by virtue of his humanity. The right to life does not depend, and must not be contingent, on the pleasure of anyone else, not even a parent or sovereign... you must weep that your own government, at present, seems blind to this truth." ~ Mother Teresa of Calcutta

Holy Rosary School News

Holy Rosary Catholic School was established in 1890 to educate, prepare, and inspire our students to achieve their full potential as lifelong learners while developing a spiritual faith formation.

Our mission calls us to minister to Medford and the surrounding communities, by supporting the spiritual, cognitive, physical, and social development of each individual child enrolled from three-year-old preschool through sixth grade.

We challenge and encourage our students to attain the highest level of academic achievement and to live out the social justice teachings of the Catholic Church values with one another, our families, and the extended community.

We believe that a strong faith formation supports the natural curiosity and imagination of our students and prepares them to take their place as leaders in our society.

Living out the Mission

Holy Rosary students in grades 4, 5 & 6 visited our local Medford Area Chamber of Commerce on Friday, December 10th, to learn about what a Chamber of Commerce does for its community. Students are learning how to write a business letter, and we've decided to write to a Chamber of Commerce. Before getting started, we needed to know how a Chamber of Commerce could be a resource.

Students learned from Billie Hartwig, Vice President, and Vi Nelson, Office Manager/Member Relations at Medford Area's Chamber of Commerce, about local businesses, various resources, and different gatherings in our area throughout the year. We learned that the chamber has an abundance of local and state maps, visitor guides, Chamber business gift certificates, and information on all the area's businesses. If students seek a particular activity or resource, they are in the right place to find information about it.

Holy Rosary Catholic School students left with maps, brochures, and the knowledge that they can return to the Chamber when seeking information on area businesses, resources, or simply looking for local recreation trail maps.

This wonderful experience was organized by our 3rd grade teacher, Stacy Syryczuk. She is a kind, caring and passionate teacher, we are blessed that she chose to teach at Holy Rosary School. Thank you Mrs. Syryczuk.

2021 Holy Rosary & Our Lady of Perpetual Help Collection for the Homeless Veterans

THANK – YOU! THANK – YOU! THANK – YOU!

Once again, the parishioners of Holy Rosary Parish and Our Lady of Perpetual Help, were so generous in their donations of clothing, personal items, thermal underwear, winter gear, sleeping bags, bath towels, washcloths, full size toiletries, first aid supplies, razors, toilet paper and paper towels, etc. for the Homeless Veterans! Those clothing items are much appreciated in such cold weather temperatures!

A special thanks to Jean and Ed Hemmer for making 407 backpacks which were added to the collection. Plus, Deanna and Bill Hartman always seemed to find another box of clothing items!

The items were collected on December 7th and the highlight of the morning always is when the 3rd grade students of Holy Rosary display and present their homemade cards to Scott and Deb Marrier, representatives for Every Third Saturday.

Thank you all for helping support such a worthy cause!

~ Jane Schiszik, Holy Rosary CCW Co-President

Registration for Youth Summer Events are Now Open!

I strongly encourage parents/grandparents to encourage or require your children to attend one of these summer events. With the world of social media taking over the lives of our students having a chance to spend a few days seeing what life can be like if you open your hearts and minds to Jesus can be a life changing event. As the world today places more emphasis on instant gratification we need to provide the youth with a more faithful view of their lives. Encourage them to take a chance and attend one of these amazing events.
