## Pastor's Message

Dear Parishioners,

For the last couple of weeks we have been celebrating our Christmas Season. We rejoiced in our Savior's birth, the Feast of the Holy Family and The Epiphany. Today we celebrate the Baptism of the Lord the conclusion of our Christmas Time. As we gather today we recall Jesus's Baptism and the beginning of His public ministry. Today is time to praise God for the gift of our own Baptism. We know that on the day of our Baptism, original sin is washed away and we become both children of God and temples of the Holy Spirit. If you do not know the date of your Baptism, find out and celebrate that day as you would celebrate your own birthday.

It takes many people to make everything run smoothly during the seasons of Advent and Christmas. I would like to thank our office/school staff, our choirs, decorators, servers, ushers, greeters, lectors, EMHC and many more volunteers who offered their time and talent to make this season sacred. With all of their help, we were able to truly celebrate this holy time with great adoration and praise to our loving God.

Fr. Taylor and I would like to thank everyone for your prayers, cards, gifts, and treats during this Christmas season. We truly appreciate everything you do for us. May God Bless you and your family during this New Year.

In Christ,

Fr. Steve

**WARNING ABOUT RISK ASSUMED BY  
PARISHIONERS**

While our parish staffs will attempt to take appropriate precautions consistent with the advice of public health authorities, parishioners and guests should understand that they assume the risk of contracting COVID-19 anytime they enter a public space since such precautions do not eliminate the risk of infection.

**SOCIETY OF ST. VINCENT DE PAUL**

Just before Christmas a mother of 5 called us for help with a sewer bill that had built up over the year. She was unaware of the bill until she received a water disconnect notice from GPSD. She did not have a written lease agreement and her landlord failed to tell her she was responsible for it. Sewer bills are sent to the property owner and he was not sending the bills to her.

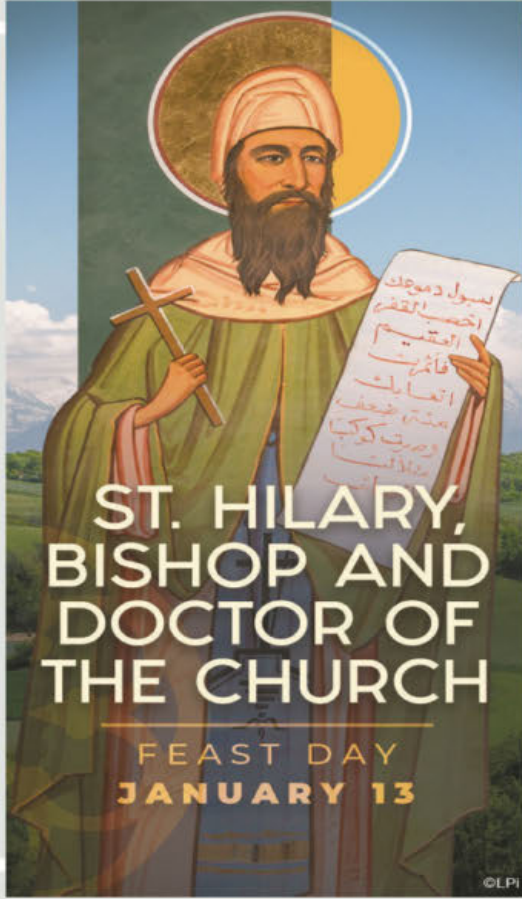

While this raised the ire in us, we were impressed by the calm demeanor of the woman, her quick response to the situation and her willingness to take responsibility. She called GPSD right away and they explained her option was to pay the bill or fight with the landlord. She told us she didn't want to move or sour the relationship with the landlord. She called 2-1-1, the United Way hotline to community services, and was directed to us and Redeemer Lutheran. We partnered and covered what was needed to keep the water on. She would be able to cover the rest of the bill that was due a few weeks later.

When we met with her she said she would have budgeted in the \$60 per month sewer bill if she had known it was there. She was on top of her other bills and relied on public transit. We learned that she has been working for the same fast food restaurant for 6 years. We don't usually see that kind of employment stability. She had recently missed work however due to Covid. First her oldest had it in November and she had to test negative to return to work, then her 2 year old had it in December and was forced to quarantine for 2 weeks. She was a month behind on rent and the landlord was being patient. We gave her the website where she could apply for Covid rental assistance from the state.

We asked her if she was receiving the child tax credit. She said she did receive it for 3 months and then it stopped. When she contacted the IRS, she was simply told that it would be included in her tax return in the spring. We have heard this from other families too; the payments have been inconsistent. They will end entirely in January for everyone. We shared information on agencies that have provided free tax filing assistance in the past.

As always, thank you for your generous financial support. This woman was very grateful. Despite her best efforts to work and manage her budget, there were things out of her control, putting her family at risk. Please keep her and all the people we serve in your prayers. At this time, we are in need of toothbrushes.

### Saint of the Week

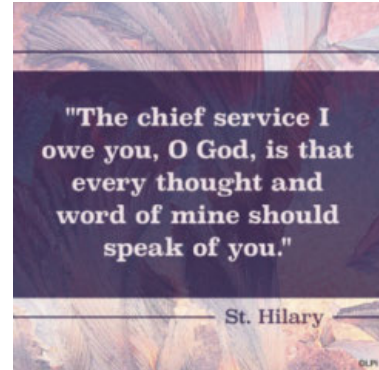

Born a pagan, St. Hilary (c. 315 – c. 367) studied philosophy and the meaning of life, eventually making his way through the bible. He became a convert and was appointed bishop of Poitiers in 353. Sometimes referred to as the Hammer of the Arians, St. Hilary defended the Nicene Creed against a popular heresy, Arianism. He was exiled to Phrygia for opposing Roman emperor Constantius II, who preferred the heresy which denies Christ's divinity. From Phrygia St. Hilary fought with his pen, zealously writing against the heresy.

Eventually he was allowed to return to Poitiers, but did so by a circuitous route, preaching against Arianism all the way. St. Hilary was likely the first writer of hymns in the West, his writings on the Trinity, Psalms and Gospel of Matthew survive today. St. Hilary was created Doctor of the Church, a title given to those who provided important contributions to theology and doctrine, in 1851 by Pope Pius IX.
