**WARNING ABOUT RISK ASSUMED BY  
PARISHIONERS**

While our parish staffs will attempt to take appropriate precautions consistent with the advice of public health authorities, parishioners and guests should understand that they assume the risk of contracting COVID-19 anytime they enter a public space since such precautions do not eliminate the risk of infection.

**SOCIETY OF ST. VINCENT DE PAUL**

Tomorrow we celebrate Martin Luther King Jr. Day – a good day to reflect once again on Martin Luther King’s dream that “. . . one day this nation will rise up and live out the true meaning of its creed: ‘We hold these truths to be self-evident that all men are created equal.’”. Certainly, there are differing opinions on how much progress has been made toward that dream, and poverty statistics would indicate that there is much progress still to be made. The U. S. Conference of Catholic Bishops has designated January as Poverty Awareness Month. One can discover much about poverty in our country and also here in Peoria County by going to the website <http://www.povertyusa.org/learn>. On that site, the “Maps and Data” area shows that in 2019, 13.4% of U.S. residents were living in poverty and there are further breakdowns of poverty by gender, by race, by age, etc. In narrowing down to Peoria County, one finds that we have a greater percentage of people living in poverty than the nation as a whole. In Peoria County the poverty rate is 15.6%. Broken down into race, we learn that 35.8% of blacks are living in poverty as compared with 10.6% for whites. Percentages are also higher for Hispanics and Native Americans. While there are certainly many reasons for these differences, research shows that much of the disparity today results from systemic issues – both past and present. We see this disparity play out in calls for help to our St Vincent de Paul Society. While poverty can be the result of poor choices, many of those poor choices are often a result of lack of education, poor nutrition, poor health care options and more. Those of us on the St Vincent de Paul committee try to do our part by treating our FINs (friends in need) with Christian love and dignity, knowing that God created and loves each one of us. We do our best to not only address the direct need, but also to encourage our FINs to pursue more education, and to use other resources within the community for job training, budget counseling, health care, parenting help, pregnancy resources and more. Would you be willing to join us as we try to help reduce the poverty rate right here in Peoria?

COVID continues to challenge our desire for home visits, but we have teams of people who will deliver pantry goods to the doorstep of families who need them after we do phone visits. Our most needed items this week are paper towels and size D batteries. Please consider helping us by leaving these items in the SVdP bins as you come to church next week. Thank you so much.

## Saint of the Week

Not much is known about the life of St. Sebastian (256 – 287), except that he was a Roman martyr whose name has been mentioned throughout history since early 350.

We see St. Sebastian many times in art, especially from iconic paintings from Guido Reni, Andrea Mantegna and Hendrick ter Brugghen. Historical scholars now agree that a spiritual story has the beloved saint entering the Roman army because only there could he assist Christian martyrs without arousing suspicion on himself. Eventually he was found out, brought before Emperor Diocletian and delivered to Mauritanian archers to be shot to death. Pierced with arrows, he was left for dead, but managed to survive. He recovered from his wounds but still refused to leave.

One day, St. Sebastian took up a position near where the emperor was to pass. He confronted the emperor, condemning him for his cruelty to Christians. This time the sentence of death was carried out, and St. Sebastian was beaten to death with clubs. Today he is the patron saint of athletes.
