ST. VINCENT DE PAUL PARISH LENTEN SCHEDULE

Pastor's Message

Dear Parishioners,

Last week we celebrated Vocare weekend remembering the gift of our parish and school. We thank our founding members, who 60 years ago had a vision on living the faith and passing it on by proclaiming the Gospel of Truth. Today we carry on that legacy. You should have received a letter from me which enclosed a volunteer form and pledge card. Please take time to pray and ask the Holy Spirit how you can serve the parish through your time, talent, and treasure.

On April 2nd, I will be leading our Women's Guild Lenten Retreat. The theme for the Retreat is **For Him**. During this Holy Season of Lent, we surrender to Jesus and walk with Him to Jerusalem. He gave everything for us and we must give everything back to Him. I am looking forward to spending this special time in prayer and reflection with the women of our parish and community.

In Christ,
Fr. Steve

WARNING ABOUT RISK ASSUMED BY PARISHIONERS

While our parish staffs will attempt to take appropriate precautions consistent with the advice of public health authorities, parishioners and guests should understand that they assume the risk of contracting COVID-19 anytime they enter a public space since such precautions do not eliminate the risk of infection.

SOCIETY OF ST. VINCENT DE PAUL

We recently had the opportunity to meet an older gentleman in his early 70's who is still working part-time at a job he's had for 24 years! He's getting Social Security, but makes minimum wage at his job. He rents an older home that he shares with his wife, and he's been stressed by high electric and gas bills, as well as increased food costs over the last few months. Like many of our Friends-in-Need, there is a razor-thin margin of "extra monies" to meet his expenses.

He missed several days of work because of illness, and since he has no paid sick-time benefits, his recent paychecks were less than usual. All these factors contributed to his dilemma of which bills he could afford to pay, and he delayed paying his water bill—and he was scheduled for a water shutoff in three days! That's what prompted him to contact us.

He lives a frugal lifestyle; he has no vehicle, internet, or phone. He relies on public transportation, and uses a work phone during his breaks; he has no money for "extras" that most of us consider necessities.

His income is such that he is eligible for LINK (food stamps), so we gave him information on how to apply for that benefit. We also gave him a list of local food pantries that he might be able to use until LINK is approved. We also gave him information on how to obtain a free cell phone to better communicate with friends, family, and businesses.

We paid his water bill which prevented the "shut-off", and the pantry team delivered food, paper goods, and personal care products to his home.

All in all, he was very grateful for our assistance, and we ask you to join us in praying for him and his family. We thank you for your donations which allow us to help those who are struggling to "get by". Our pantry needs include personal care products such as toothbrushes, toothpaste, soaps, and shampoo. If you have an opportunity to help in that regard, our FINS would be grateful.

What: Adult Bible Study**Topic:** Word on Fire: The Creed**Where:** St. Vincent de Paul Parish Hall**When:** until May 5th**Time:** 8:45-9:45am About 50 minutes in length.

What do Christians believe? What do you believe? What does it even mean to "believe"? The keys that unlock the beliefs of the Christian Faith are stated succinctly in the Nicene Creed, which we profess along with most Christians around the world. Words that roll off our tongues easily, but are often not fully understood, define our Faith.

In this 6-part DVD series Bishop Robert Barron takes us through each part of The Creed explaining each section, the history, and the principles.

Next Session: God, the Father Almighty Thursday March 31.

Saint of the Week

St. Rupert of Salzburg is also known as the "Apostle of Bavaria and Austria." Although mostly legend, it is believed that he was born sometime around 660 in Gaul, which is now part of France. It is possible that he is a descendant of the Merovingian royal line. Not much is known about the saint's early life.

We do know that Rupert was first appointed as Bishop of Worms in present-day Germany and despite many good works there, the pagan population eventually beat him and forced him from the city. Rupert retired to Rome for a time until Duke Theodo of Bavaria asked him to come to help establish the Church more firmly in Bavaria. Rupert agreed and brought with him a group of priests. Rupert traveled the region, effecting conversions, miracles, healing.

Eventually Rupert chose to settle at Juvavum an old Roman city mostly in ruins. He renamed the city Salzburg or "Salt Castle," and established there a great cathedral and monastery under the Rule of St. Benedict. His niece became abbess of the Benedictine convent he founded nearby. Rupert was the first bishop of Salzburg, serving also as abbot of the monastery.

St. Rupert is usually portrayed carrying a vessel of salt, as he helped establish the salt mining industry for which he named the city. It is said that Rupert died on Easter Sunday though sources disagree on the year, which could have been around 710 or possibly as late as 718.
