## The Most Holy Body and Blood of Christ

Jesus went to those most in need. He forgave the sinner, ate with the outcast, defended, and fed those who were poor and hungry. He worked for true justice, risked being unpopular, willingly accepted suffering and death, and always stayed connected with his Abba, Father. Jesus also consistently reminded folks that God's compassion, love, and mercy trump everything, even the law. This is the Christ that the Eucharist calls us to be. As we look around our churches, our towns and cities, and our world, there are many people who need to see the face and body of Christ. Some of those most in need may be right within our families. But it is always in the poorest of the poor and those most vulnerable that we find the greatest need. There are many who cannot function on their own. When the gift of the Eucharistic Christ takes root in our hearts, we can more readily see the face of Christ in others.

Many people are vulnerable. Highest on that list are the homeless. They show us the face of Christ. Whatever the cause, to have no place to go and no place to call home takes a toll on the human spirit. For Jesus when there were hungry people, they were fed. God asks us to do the same ... feed people. There are many who are hungry physically, emotionally, and spiritually. Gifted by the Eucharistic presence of Christ, we can bring them Christ. Who are the hungry around us and how can we feed them?

When someone is hurting, you comfort them. When someone is hungry, you feed them. When someone needs clothes, you provide them. When someone is cold, you warm them. When someone is in prison, you visit them. With over a million people who are homeless and over a quarter of them children, it is important to ask the question, "why?" and strategize for ways to lessen or alleviate the problem. Nevertheless, we are not off the hook for responding to the immediate needs that present themselves at our doors. Whether a person's current station in life is self-imposed or the result of being victimized, they are sacred vessels. We cannot lock the door and send them away and still believe we bear the Eucharistic presence of Christ. It doesn't work like that.

**THANK YOU** for supporting **YOUR Parish**;  
**every contribution helps, no matter the amount!**

In today's Gospel, the disciples suggest that Jesus disperse the crowd so that they might *individually* seek food and lodging. The miracle of the feeding of the five thousand is Jesus' powerful reminder that when we *share* our gifts in His name there is always more than enough!

## SUCCESSFUL MISSION

We thank Father Carucci for an excellent MISSION on the Eucharist this past week. Father Carucci is the pastor at OUR LADY OF THE GULF in Gulf Shores, Alabama. If you are ever in Gulf Shores, stop by and thank him for his services this week. For those who may have missed the Mission talks, we have recorded them. Please contact the Parish office.

## Blessing of Fathers

Gracious God and Father, our first father, You are the One who has brought us to life in this world you created.

You created us and everything around us. We turned away from you and only after disappointing you did we return your love.

Look with favor on our earthly fathers. They helped create us in your image.

We have disappointed them, but have come to realize just how important they are to us.

Bless all our fathers, living and deceased, with comfort and health.

We bring all their needs to you and ask for strength so they may live worthy lives.

We ask all this in the name of your Son, our model of what it means to reverence our fathers.

In Christ's name.

Amen.
