FROM THE DESK OF

Deacon John Vincent

Happy New Year, and Happy Feast of Epiphany! It is hard to believe that we are at the start of another year. For many of us this last year, we may have continued to struggle with the effects of the pandemic, health issues, politics, etc. With the beginning of this new year, we may have the hopes that this year will bring better things into our lives. This is the time of year when we look ahead and discern what changes we may want to make in our lives so that we can be healthier and happier; for some, we may concentrate on losing a few pounds, running a full or half marathon this year, or slowing down a little and smelling the roses. Let us not ignore our spiritual self when

making our goals, but rather set some goals to help us be healthier and happier spiritually. We might want to increase our prayer time, maybe attend a week-day daily Mass, begin praying the rosary or some other new form of prayer, do some spiritual reading, be more kind, volunteer, or just take some time to listen to God. Let's make the most of new beginnings and look forward with hope to a happy and healthier new year, both physically and spiritually.
