From the Pastor

The parishioners extend our condolences and sympathies to the families of Bruce Weber and Larry Budde. Bruce was buried from our church this past Thursday, and Larry's burial was Friday morning. Eternal rest grant unto them, O Lord.

The feast of St. Francis of Assisi is October 4th, Monday. We will have the blessing of animals this Sunday afternoon at 1 o'clock in front of the grotto, near the grade school. It is traditional to have the Transitus ceremony on the vigil of the Saint's feast day, so we will celebrate the Transitus at 6 o'clock Sunday evening in church. After the Transitus, all are invited to come to the friary for a social visit. Mass on his feast day is at 9:00 am.

During the Convocation last week, we priests would gather at a different church each morning for Mass and morning prayer, which were combined. It was interesting to see and visit the different churches. I think it was Sts. Peter and Paul Church in Collinsville that had photos of couples on both side walls of the church, and the pictures were separated by years. One section, for example was 1980, so I presume the couples in their wedding attire, were married at some point during that decade. And the same for 1990, 2000 and so on. I've never seen that before in a church. There were no names.

I am glad to see more people wearing masks for the weekday Masses. This isn't going to change overnight. I did some business in O'Fallon before going to the Convocation, and wherever I went people automatically had their masks on – whether it was a grocery store, a bank, restaurant, you name it. There was no question: am I going to wear a mask? You and everyone else, wore a mask if you were going to do business in that establishment. Look around here, and what do we see? Over there, you could see the community is dealing with a problem. In Effingham County, by contrast, we walk around with our heads in the sand. It is almost like a form of denial – what pandemic? Is there a virus going around? I'm curious to see if we have a growing number of people wearing masks for the weekend Masses. It's only 45 minutes. I doubt very many of us want to go back to closed churches and watching Mass at home on a screen. And we would like to get together with family for Christmas without fearing whether or not someone in the family has the COVID. Let's be smart and prudent.

Please Note. Tomorrow, October 4th, there will be Mass at **9:00 am**, in honor of St. Francis. No 6:30 am Mass.

Pope Francis has said that respect for life is not just about the unborn child in the womb, but also about the least of our brothers and sisters. Yes, it is even upon the undocumented resident alien who has no voice but ours. As followers of Jesus Christ, we are all called to protect the voiceless.

Let us pray...

Good and gracious God,
you blew into our nostrils the breath of life.
You are the One to whom we owe our very existence.

Give us the courage to take that unpopular position
of protecting those who have no voice,
the unborn child in the womb
to the person taking his or her last breath.

The life you have given us is a gift beyond measure.
Embolden us to speak the truth
about protecting the child, the elderly,
and the one without a voice in the public square.

With thankful hearts,
we ask all this of the One God,
Father, Son, and Holy Spirit.
Amen.

Transitus is today, October 3rd, at 6:00 pm. Franciscans around the world set this date aside to remember the passing of St. Francis from this life to eternal life. His feast day is October 4. You are invited to come to the friary for refreshments after our Transitus ceremony.

Blessing of Animals is today, October 3rd, 1:00 pm, near the grotto.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

"What God has joined together." We are all familiar with these words. Because man and woman are essentially of the same substance, although also distinctively different, there is an innate desire to be connected and united. Admittedly, marriage covenants can be extremely difficult to negotiate and, at times, very painful to experience. But they can also be celebrations of great union and happiness. This is proven by couples who have been married for many years who still have that same twinkle of devotion in their eyes that was present on their wedding day. God designed it to be this way. By God's power, the two become one. This is not of human design. The true intimacy of marriage is a Divine Intimacy. It is a bond created by a power far greater than any found in the two people who are joined. Marriage is where the virtue of love is most fully expressed.

ADORATION: We would like to have two people committed to each hour of adoration from 1:00 pm Monday afternoons through 6:00 am Tuesday mornings. It works quite well to share an hour, to have someone to depend upon if illness or other emergency suddenly strikes. Also, we are always in need of subs on the sub list. If you are willing to spend an hour with our Lord, please call or text Cindy Vahling at 217-821-3366.

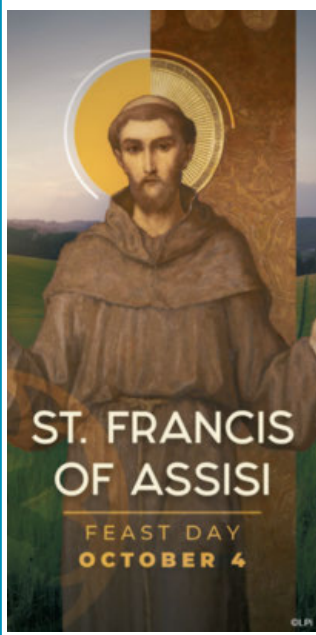

Prayer Campaign for Life – Thanks to all who prayed for life on our Eucharistic Day of Prayer for Life this past Monday continue your prayers and sacrifices for an end to abortion. We especially need prayer that our US Senate will not pass the Women's Health Protection Act, which is designed to remove all legal protections for unborn children on both the federal and state levels. According to pro-abortion groups, if this law is enacted, abortion-on-demand would be allowed in all 50 states, even if *Roe v. Wade* is overturned. It would invalidate nearly all existing state limitations on abortion. Please pray that this bill will not become law.

Loving heavenly Father, help us to see the worth of all human beings by the way in which you provide for us. We would ask that you provide also the faith, grace and courage to enable us to protect that which is so precious to you. – Fr. Frank Pavone

St. Francis of Assisi Feast Day October 4

St. Francis of Assisi (1181 – 1226) left a life of luxury for a life devoted to Christianity after reportedly hearing the voice of God, who commanded him to rebuild the Christian church and live in poverty. He founded the men's Order of Friars Minor, the women's Order of St. Clare, the Third Order of St. Francis and the Custody of the Holy Land.

Born in 1181 in Italy, St. Francis of Assisi was renowned for drinking and partying as a youth. During a military expedition/battle between Assisi and Perugia, he was captured and imprisoned for ransom. He

spent nearly a year in prison and began receiving visions from God. After his release from prison, St. Francis of Assisi claimed to have heard the voice of Christ, who told him to restore the Christian Church and live a life of poverty. As a result, St. Francis of Assisi abandoned his life of luxury and became a devotee of the Catholic faith.

Today, St. Francis of Assisi, known for his deep love of nature and animals, is the patron saint of the environment and animals. Each October, many animals are blessed on his feast day.

Sharing the Gospel In the beginning, when God created Adam and Eve, he created marriage to be good and holy. God wanted husbands and wives to love God and to help one another. Because of sin, some marriages started to fall apart. Divorce is difficult for everyone. God always wants marriage to be good and holy.

Prayer

Dear God, help people who are married to love you and care for each other
