From the Pastor

The parishioners of St. Francis extend our condolences to the family of Lorraine Zerrusen, whose funeral was here at St. Francis on Wednesday, April 20. Eternal rest grant unto her, O Lord. And let perpetual light shine upon her.

He is risen! Alleluia! Alleluia! There are so many people, who contributed to our parish prayer last week, that I'm hesitant to name anyone. Barb Runde's name is at the top of the list for "making things happen." We are all grateful to her for her contribution to the Art and Environment committee, for her work in the sacristy and her work with the servers for all the liturgies. The A and E team always have our church looking beautiful, especially on the major feasts. Thank you. Dan Williams is like the Energizer rabbit with his different choirs and working with them. There are the many practices and then the different Masses on the big day. I would be remiss in not thanking Anne Marie Brummer, who heads up the Rite of Christian Initiation group in the parish. She and her team meet weekly with those who are inquiring. Let's make an effort to recruit for next year. I know this is a Catholic community, but not everyone is Catholic...yet! There are the many readers, ministers of the Eucharist, ushers, servers and sacristans, who all pitch in and do more than their share at times. We had a good turn out for all the Masses. Holy Thursday had 511 people, and Good Friday had 10 more with 521 souls. The 4 Masses for Easter had a total of 2,146 people!!

At the 8:30 Easter Mass we had a false alarm during Mass. No one knew it was a false alarm, but I had one before during a wedding, just when the couple was going to pronounce their vows, the smoke alarm went off. It was the same cause: a family was cooking in the kitchen of the Sr. Ethelbert Center. This reminded me of the conversations our Crisis Committee had more than once about evacuating the church for a tornado warning. The "What If" game gets everyone thinking about a situation, and what can be done calmly and peacefully so everyone can move to a safe place. We talked of having drills during a Sunday Mass. I think we would all agree it is better to plan and be ready than to just let it happen.

If you haven't had your picture taken for the parish pictorial directory yet, there are photo session times available. Check out the information in this bulletin. If you do not make a photo session, then please find a good photo in your collection at home. A submitted photo is better than nothing. Ideally, it's better to have something current, and it doesn't take long for the photo shoot. I would bet no one – or very few - had to wait any length of time to get their photo taken. I know we are not going to get 100% of the parish, but we can try.
