THANK YOU!

A BIG “thank you” goes to the following: Fr. Dominic Vahling for celebrating the mass and leading the procession; servers, torch bearers, Camille Neihls for organizing the servers and torchbearers, Alex Meinhart and Barb Runde for being the sacristans, Eric Habing for being the thurifer and helping in the sacristy, the ushers for helping pass out booklets and for cleaning up after Mass, Gus and Joe Siemer, Isaac Vahling and Oliver Lee for carrying the canopy, which mad our procession more complete and reverent. Also, “thank you” goes to the girls who carried and strewed flowers and to Rita Habing and Tracy Dennis for organizing and helping them during the procession. Last but not least, thank you goes to Dan Williams and choir for leading the singing, and the families who created the beautiful altars: mini park by the Nick and Janice Niemeyer family, grade school grotto by the Joyce Habing family, front of church by the Kathy Wellbaum family, and the Congregation that made our liturgy and procession absolutely complete with their presence and voices!

God bless you all and thank you!

CD of A Contest Winning Entry

This week we congratulate Hudson Einhorn, son of Greg and Beth Einhorn, (student of Karen Buhnerkempe) on placing 1st place in Division I for his essay.

The fact that I am here writing this right now is proof that with God all things are possible. My mom and dad have told me this all my life. I was born at 26 weeks and since (birthdate), God has been proving that all things are possible through Him.

When my twin sister and I were born, we both weighed 2 pounds. The doctors were worried about me because I am a boy and premature boys do not have good lungs. The doctors thought that I would not live. But, my parents prayed and prayed for my sister, Harper, and I. Harper and I were both on machines called oscillators and ventilators to help us breathe. We were already showing the doctors that all things are possible with God. A month after we were born, my sister had heart problems and she died and went to heaven. Mom and dad say that she must have been watching over me because the day of her funeral, I came off all the machines and started breathing on my own. I was in the NICU for 2 ½ months and finally I got to come home.

A few days before I came home, my mom and dad were told that I would probably have a lot of problems. They said I could have learning disabilities, bad eyesight, maybe never talk or walk correctly, and might have autism. Still, my parents prayed and prayed for me. All things are possible with God. I had therapy almost everyday to help me with motor skills. I started walking late, but it was only because I started talking early. God was listening to my mom and dad. I was checked for autism every year until I was four and everything was looking great. God was making a miracle out of me because I was a miracle.

Today, mom and dad still pray for me and God still makes things possible. I started at two pounds and now I am taller than the average 11 year old. I used to be on breathing machines and today, I run and play with no problems. The doctors were worried that I would have problems walking and currently I love playing baseball and basketball. When I left the NICU, my parents were told that I might have difficulties learning and today I am a smart kid who loves school. I beat the odds because with God all things are possible.

On (birthdate), I proved to everyone that with God all things are possible. My sister and I were born early, but we had fighting spirits and parents who prayed to God. With God all things are possible and I am living proof of this.

PRAY FOR PEACE!

At Fatima, Mary asked us to pray the rosary for peace in the world. Volunteers are needed to lead the rosary before weekend Masses for peace in Ukraine and the whole world. Leaders may sit in their regular place, and simply begin leading the rosary at least 20 minutes before Mass begins.

There is a sign-up sheet at the main entrance. Please help in this effort to pray for peace! Mary, Queen of Peace, pray for us!

Day of Prayer for Life – Please mark your calendars and make it a priority to come and pray for an end to our nation’s tragic disrespect for human life at the 48th annual Day of Prayer for Life to be held **Wednesday, June 29th**, at St Francis Church in Teutopolis. The day will begin with Eucharistic Exposition at 9:00 am followed by Eucharistic Adoration and Prayer throughout the day. Benediction

will be at 7:00 pm, with the closing Mass at 7:30 pm with guest celebrant Father Michael Berndt, Parochial Vicar at St. Anthony Church in Effingham and St. Mary’s, Shumway. A reception with refreshments will follow in St Clare Hall, adjoining the church. Please note that there is no 8:00 am Mass.

St. Francis Parish prays from 9:00 – 10:00 am; a silent hour with volunteers is from noon – 1:00 pm; youth prayer hour is 4:00 – 5:00 pm; Teutopolis CD of A prays 5:00 – 6:00 pm and all KC Councils pray from 6:00 – 7:00 pm. All are welcome to pray any time if these hours are inconvenient.

Launching June 19, on the Feast of Corpus Christi, **Eucharistic Revival – a mission for you and your family begins NOW** - You are invited to join Catholics in our diocese by participating in a nation-wide movement to grow into a deeper understanding and devotion of the holy Eucharist. This movement of Catholics, called Eucharistic Revival, is about healing, conversion, formation, and becoming a unified Body of Christ by focusing on encountering the real Body of Christ, present to us in the Eucharist. Visit www.dio.org to learn more about this mission, how to sign up for updates, the timeline of events, and how to get involved.
