## From the Pastor

Our hearts and prayers go to the families of the people, who were shot and killed during the 4<sup>th</sup> of July parade in Highland Park Monday morning. And we pray for the recovery of those wounded in the same attack. How quickly our lives can change! I'm sure there were many people going to see and enjoy the parade and then it happened. Who could have guessed or predicted something like this would happen?

Fr. Dennis is getting around and meeting our parishioners, and soon he will have had each of the weekend Masses. This gives people an opportunity to listen to his homily and to greet him after Mass. He is getting moved into the house, and that takes some time.

I think a possible measure of the quality of family life could be how eager the members of the family are to pitch in. I offer an example from our parish. Tim and Angie Sheehan saw a need our parish had – the front entrance to the offices of the rectory was rather dated, and they saw an opportunity to make a difference. And what a difference they made – the walls were painted, new chairs were presented, a chest of drawers was added, new carpeting purchased, and a new handrail was also bought and installed. Because of COVID the process took longer than it normally would, but the end product is worth waiting for. Check it out, and when you see Tim and Angie, please let them know you like it. This principle applies to family life. It's a matter of stepping up to the plate when you recognize a need. Waiting for someone else to do something can take time. And maybe the brothers or sisters will not see the opportunity that exists. If you see something that needs to be done, do it. If you see a sink of dirty dishes, how long does it take to clean up the mess? If your parents tell you to clean your room, how long does it take? Minutes. Clean your room before your parents tell you do it. Take the initiative. Pitch in. This is a good principle for families, and it's good one for the life of the parish.

On vacation in Buffalo I was able to provide Mass for my sister and her husband. They have been self-quarantined for a long time because of my sister's ovarian cancer and her treatments. For the first time I didn't stay with them while visiting but instead I stayed in a motel! I know some of you are praying for Joanne and her family – thank you very much. Joanne Randles is her name. Visited friends in Fredricksburg, VA, Chesapeake and Virginia Beach. Renewing friendships and watching the children grow up is good for the soul.

This week we mark the last date for people to pose for a photo in our parish pictorial directory. 12 July is the date so if you haven't had your picture taken yet, please do so. Our photographer is fast and excellent. You will like your photo.

### The Stewardship Prayer

Gracious and loving God, we understand that you call the parish of St. Francis of Assisi to be stewards of your abundance, the caretakers of all you have entrusted to us. Help us to use your gifts wisely and to share them generously. May our faithful stewardship be the hallmark of our discipleship, a visible sign of our commitment to Christ. We pray with grateful hearts. Amen.

### CD of A Contest Winning Entry

This week we congratulate Joshua Pruemer, son of Jacob and Kate Pruemer (student of Camille Neihls) on placing 3<sup>rd</sup> place in Division I for his essay.

#### “With God All Things are Possible”

God has performed a lot of miracles through people. After God’s chosen people were set free after the 10 plagues in Egypt, they had to cross the Red Sea. God told Moses to lift up his staff and the sea parted. Then they crossed it before the Pharaoh’s army could, and Pharaoh’s army was killed. God also gave Martin de Porres the power to talk to animals, heal people, and fly so that he would not be late for Mass. These are just a few miracles God performed through humans.

### HOLY HUMOR

A husband asked his wife, “Why do you cry and sniffle at a movie over the imaginary woes of people you’ve never met?” “For the same reason,” she replied, “that you yell and scream when a man you’ve never met slides into second base.”

I tried to organize a professional hide-and-seek tournament, but it was a complete failure. Good players are hard to find.

“Tom Brady’s retirement lasted 40 days. In other words, he pretty much gave up football for Lent.”
