203 EAST MAIN ST., PO BOX 730, TEUTOPOLOIS, IL 62467

From the Pastor

This Tuesday is August 2, and if we were in the city of Assisi in Italy, we might be amazed at the number of buses and people that would be gathering in the community, especially near the Portiuncula, the small chapel that was so dear to St. Francis. The little chapel is located inside of a large church called Our Lady of the Angels, which is located just outside the city. This small chapel was the responsibility of the Benedictine Order, and in 1211 they handed the responsibility for the chapel to the Franciscans. What is so special about this little chapel?

Look closely at the arch over the altar of sacrifice in our church. You will see a mural that has figures of God and Mary, and there are words “Petitionem Tuam, Francisce, Admitto.” It roughlyly means: “Francis, I grant your petition (request).”

St. Francis felt that the Portiuncula, the little chapel, was a place filled with God’s grace. In 1216, at the request of St. Francis – petitionem tuam – Pope Honorius granted the special privilege (the plenary indulgence- a remission before God of the temporal punishment due to sins) to all those who would visit the little chapel. In time, the indulgence was granted to churches wherever the Franciscans were serving, and now Catholics can receive the plenary indulgence in any church. There are the usual requirements.

The person needs to make a sacramental confession within weeks of the visit. The person also needs to come to Mass and receive the Eucharist, and the person needs to offer prayers for the pope and the Lord’s Prayer or Our Father, and the person needs to profess the Creed.

A plenary indulgence is the remission of all the temporal punishment due to sin, while a partial indulgence is only some of the punishment due to sin. We can also gain a plenary indulgence for the souls suffering in purgatory.

Indulgences are one of the items on the list that Martin Luther nailed to the church doors in Wittenberg. Luther was correct on some points, and Rome would have been smart to listen to him and discuss his issues. The Protestant Reformation could possibly have been avoided if there were more openness, prayer, and dialogue between Rome and Luther.

If anyone would like to go to Rome and Assisi with other parishioners, then let’s get a group together! Could also include Florence and Venice.

Keep Saturday, August 19th open, it is Band Night in Teutopolis!! This was a wonderful event last year. God has gifted our community with a large number of people with great talent. Let us praise the Lord and thank God for our many blessings.

God Bless Those Serving our Country.

ASSISI FOR AFRICA: Fr. Damien is visiting his family in Ohio this summer. He had hoped to visit us, but it seems that will not work. He was in serious need of cataract surgery as he could not say Mass due to poor vision. He also is trying to avoid Covid so he can have the second surgery, and also return to the Congo. He has sent photos with captions to us. These will be on display in the main church entrance, so please take time to view what Fr. Damien wishes to share about our mission project of helping the abandoned boys in Africa. Part of his letter is quoted here: “My dear friends, Peace! I am reduced to poverty. I have no personal vehicle, my computer is broken, my time is controlled by the medicine that I take three times a day to heal the operation, and a second operation is upcoming ... I had hoped to spend a week with you, but I could not. I arrived here (in the USA) with many photos of the children you feed, and the children who have returned to the Father-Creator. The death of our two boys still burns in our hearts and leads to tears. I have a photo of St. Francis crying. This photo gives you some idea of how our children live and how some die. We continue to thank you and I hope that our photos will bring you closer to our children. Fr. Damien OFM”
