Utility Assistance Program

Do you need utility assistance and don't know where you can go to get help?

St Joe's Samaritan Ministries Utility Assistance Program offers help with utility bills and re-connect fees to the working poor of Vigo County. That's folks between 150 and 200 percent of the poverty level. Check with the Salvation Army for current income guidelines. Financial assistance will take the form of payment of the past due balance and the reconnect fee (up to a combined total of \$500) for electric, water, sewage, natural gas, propane or oil service that has been recently disconnected for lack of payment. Even if you have been turned down for other types of assistance, you may qualify for this program. If you have received a disconnect notice, **contact The Salvation Army at (812) 232-4081** to see if you qualify. We can make out a check to the utility company only after the Salvation Army lets us know that a family has qualified for the program.

"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you." (Matthew 7:7)
