IC Church on Facebook

IC Family Night on Facebook

IC is undertaking a short, anonymous survey to help better understand the needs of IC families. This first survey is one in a series of surveys we are conducting of parish over the coming weeks. This is in total confidence. IC would like to expedite the surveys as quickly as possible. Please either go to the following website link to participate with our survey software or use your phone to capture a QR code that will then take you to the survey. Finally, we have paper versions you can use, but if you can please take the survey digitally. We need to have at least one participant per household to represent their household participation.

All adults over 18 may participate. <https://www.icjacksonmo.com/survey>
