**A Powerful Prayer...**In a vision to St. Maria Faustina Kowlska in 1935, the Lord revealed a powerful prayer that He wanted everyone to say—the Chaplet of The Divine Mercy—and He promised extraordinary graces to those who would recite it:

Whoever will recite it will receive great mercy at the hour of death...  
 Priests will recommend it to sinners as their last hope of salvation.  
 Even if there were a sinner most hardened, if he were to recite this chaplet only once, he would receive grace from My infinite mercy...I desire to grant unimaginable graces to those souls who trust in My mercy... (DIARY, 687).

Encourage souls to say the chaplet which I have given you...When they say this chaplet in the presence of the dying, I will stan between My Father and the dying person, ot as the just Judge but as the Merciful Savior...(1541).

Through the chaplet you will obtain everything, if what you ask for is compatible with My will (1731).

Prayed on ordinary rosary beads, the Chaplet is an intercessory prayer that extends the offering of the Eucharist. It may be said at any time, but our Lord specifically requested that it be used as a novena on the nine days before the Feast of Mercy (the first Sunday after Easter).

It is also especially appropriate to say the Chaplet during the three o'clock hour (recalling the time of Christ's death on the the cross). In His revelations to Saint Faustina, Our Lord asked for special prayer and veneration for His Passion during this time.

Easter is much more than a single day in the calendar year. Rejoicing in Christ's Resurrection is the focus of the Easter season in the Church and the highlight of each Sunday Liturgy. As we remember and celebrate Christ's triumph, tune into Covenant Network Catholic radio for information and inspiration throughout this holy season. Many ways to listen: on the radio 94.3 FM; on the Covenant Network mobile app or at [OurCatholicRadio.org](http://OurCatholicRadio.org).
