## WE DID IT!!!

With the grace of God, we have completed and paid off our *Growing with God* initiative - an ambitious plan for improvements across our entire campus, highlighted by the opening of our Gathering Space in 2017!

I wanted to take this opportunity to thank you very much for your gifts to *Growing with God* that have put us in the position we are in today.

What is that position? We are debt-free and have wonderful facilities to continue our mission of building up discipleship in Muskego and beyond. Your support has helped us succeed in our goal of paying off the building loan in just three years, saving nearly \$500,000 in interest costs versus if we paid it off over 20 years!

Now that *Growing with God* is completed, this week I personally decided to continue giving to the parish at the same level as before by shifting my *Growing with God* giving in our WeShare online platform to the St. Leonard Endowment Fund. Interest and earnings from our Endowment Fund are used for broad parish needs, but the principal remains untouched in perpetuity. To see our one-page 2020-21 Endowment Fund Annual Report, go to [stleonard.org](http://stleonard.org) and search "Endowment Board" to find the page with a link to the report. Or contact Kathleen in the parish office, 262-679-1773 or at [kathleen.drayna@stleonards.org](mailto:kathleen.drayna@stleonards.org), to get a copy.

If you can, I would ask that you consider shifting your *Growing with God* giving to our Regular Parish Contributions Fund or our Endowment Fund in WeShare. If you use envelopes to give and want to give to the Endowment Fund, you can use your own envelope and simply mark it "for the St. Leonard Endowment Fund."

Everyone is invited to a special mortgage burning celebration at all Masses on November 13-14!

Thanks again for all you have done and all that you no doubt will continue to do - both in financial giving and giving of time and talent - to help us live our mission: *Growing as Catholics in the image of Jesus Christ in Worship, Formation and Community.*

Fr. Dan Janasik

## "SERVANT SONG"

In the Gospel reading a few weeks ago, Jesus admonished his disciples for their pointless argument about which of them was the greatest. This week, it seems as if James and John did not get the message, as we hear them ask Jesus for glory and prestige by sitting at his right hand. Jesus responds to this request telling them, "*The Son of Man did not come to be served but to serve and to give his life as a ransom for many.*" In telling them this, Jesus is trying to communicate that greatness is not achieved through honor and glory, but rather through humble service. If the disciples truly want to be great, they too must become servants of all. We sing Sr. Donna Marie McGargill's "Servant Song" today as a humble prayer simply asking, "*What do you want of me, Lord? Where do you want me to serve you?*" We know that discipleship is an active process, and not a passive one, but if we are committed to a closer relationship with Christ and attaining eternal life with him, we need to set aside our own self-glorification and approach the challenges of this world with a servant's attitude as Christ did. This week, let's pray for a servant's heart, so that we may fully surrender ourselves to the love of God and spread that love to others in humble service. *Bryan Staedler, Director of Music*

**ST. LUKE THE EVANGELIST (OCTOBER 18)***Bridget Klawitter, Pastoral Associate*

Luke, the writer of the Gospel and the Acts of the Apostles, has been identified with St. Paul's "*Luke, the beloved physician*" (Colossians 4:14). We know few other facts about Luke's life from scripture and from early Church historians. It is believed that Luke was born a Greek and a Gentile. In Colossians 10-14 Paul speaks of those friends who are with him. He first mentions all those "of the circumcision" -- in other words, Jews -- and he does not include Luke in this group. Luke's Gospel shows special sensitivity to evangelizing Gentiles. It is only in his gospel that we hear the parable of the Good Samaritan, that we hear Jesus praising the faith of Gentiles such as the widow of Zarephath and Naaman the Syrian (Lk 4:25-27), and that we hear the story of the one grateful leper who is a Samaritan (Lk 17:11-19). According to the early Church historian Eusebius, Luke was born at Antioch in Syria.

In our day, it would be easy to assume that someone who was a doctor was rich, but scholars have argued that Luke might have been born a slave. It was not uncommon for families to educate slaves in medicine so that they would have a resident family physician. Not only do we have Paul's word, but Eusebius, Saint Jerome, Saint Irenaeus and Caius, a second-century writer, all refer to Luke as a physician.

We have to go to Acts to follow the trail of Luke's ministry. We know nothing about his conversion but looking at the language of Acts we can see where he joined Saint Paul. The story of the Acts is written in the third person, as an historian recording facts, up until the sixteenth chapter. In Acts 16:8-9 we hear of Paul's company. Then suddenly in 16:10 "they" becomes "we".

So Luke first joined Paul's company at Troas at about the year 51 and accompanied him into Macedonia where they traveled first to Samothrace, Neapolis, and finally Philippi. Luke then switches back to the

third person which seems to indicate he was not thrown into prison with Paul and that when Paul left Philippi, Luke stayed behind to encourage the Church there. Seven years passed before Paul returned to the area on his third missionary journey. In Acts 20:5, the switch to "we" tells us that Luke has left Philippi to rejoin Paul in Troas in 58 where they first met up. They traveled together through Miletus, Tyre, Caesarea, to Jerusalem.

Luke is the loyal comrade who stays with Paul when he is imprisoned in Rome about the year 61 (Philemon 24). And after everyone else deserts Paul in his final imprisonment and sufferings, it is Luke who remains with Paul to the end: "*Only Luke is with me*" (2 Timothy 4:11).

Luke's inspiration and information for his Gospel and Acts came from his close association with Paul and his companions as he explains in his introduction to the Gospel (Lk 1:1-3). Luke's unique perspective on Jesus can be seen in the six miracles and eighteen parables not found in the other Gospels. Luke's is the gospel of the poor and of social justice. Luke also has a special connection with the women in Jesus' life, especially Mary. It is only in Luke's gospel that we hear the story of the Annunciation, Mary's visit to Elizabeth including the Magnificat, the Presentation, and the story of Jesus' disappearance in Jerusalem.

The reports of Luke's life after Paul's death are conflicting. Some early writers claim he was martyred, others say he lived a long life. Some say he preached in Greece, others in Gaul. The earliest tradition we have says that he died at 84 in Boeotia after settling in Greece to write his Gospel. We celebrate his feast day on October 18 and he is the patron saint of physicians and surgeons.

## HUMAN CONCERNS RESPECT LIFE OUTREACH

Please join the Human Concerns Committee this October as we celebrate Respect Life Month. During this month we reflect on the value of each life and how to build a culture that protects that value. Women's Care Center is an organization that aims to do just that: change the culture one heart at a time. At Women's Care Center, they celebrate Respect Life Month by serving women facing unplanned pregnancies as they discern one of the biggest decisions of their lives. They can do this so well because they're located right across the street from one of the highest-grossing abortion clinics in Wisconsin. To promote their mission, they offer free and confidential care through pregnancy testing, ultrasounds, and counseling services, so that women feel empowered to choose life. To learn more about Women's Care Center, to donate, or to tour, please contact Sheryl Laird at [sheryl@wccmil.com](mailto:sheryl@wccmil.com).
