WELCOME HOME!

In October 1943, Bing Crosby first recorded the now famous Christmas carol, “I’ll Be Home for Christmas.” This was sung during World War II, when many young men and women would not be home for Christmas – up to four years in some cases. The song tapped into something deep in our souls – go home for Christmas.

St. Leonard Parish is your spiritual home...whether this is your first time here, or if you’ve been a member here for decades. Let me say to each one of you: “Welcome home for Christmas”!

On Christmas we celebrate the fact that God loves us so much that he became one of us in the person of Jesus. Jesus was born in that stable in Bethlehem to show us the depths of God’s love for us.

Faith is always relational. As our connection deepens with God, our hearts naturally desire to extend that love to other people. This Christmas, commit to deepening those relationships. As one of my favorite authors, Matthew Kelly, likes to say, “*our lives only change when our habits change.*” Commit to doing things that deepen your love for God and other people. Then repeat those decisions until they are ingrained as habits.

- Commit to attending Sunday Mass each week where we hear the Word of God and receive the Real Presence of Jesus in the Eucharist. As Jesus said, “*Unless you eat my flesh and drink my blood, you do not have life within you. Whoever eats my flesh and drinks my blood has eternal life*” (John 6:53-54)
- Commit to quiet time with Jesus every day, even if it’s just a few minutes. Relationships only deepen when we spend time together. **Our chapel is open every Wednesday from 12:30pm to 9:30pm** for quiet time with Jesus in Eucharistic Adoration. Come for however long you are able.
- Commit to doing something to grow in knowledge of your faith while also building relationships with other members of the church:
 - Adult Bible studies take place on Wednesdays and Thursdays
 - Our Dynamic Men’s Group meets every Wednesday evening and Thursday morning.
 - Women’s Bible Study on Tuesday evenings, or plan to attend our daylong Women’s Retreat on March 12.
 - Our Young Adult Group, our Happy Daze Seniors Group, our Council of Catholic Women, and our Athletics Association are all great ways to build new relationships while also having some fun!
- Commit to serving those in need through the many opportunities offered by our Human Concerns Committee or St. Vincent de Paul Society.
- Commit to helping your child grow in their love for Jesus through enrollment at our excellent St. Leonard Catholic School or St. Leonard Christian Formation programs. **Check out our school at our Open House on Sunday, January 23 from 10am to 12:30pm.**

St. Leonard is your home. Welcome home!

Fr. Dan Janasik, Pastor

FEAST OF THE HOLY FAMILY (DECEMBER 26)

Bridget Klawitter, Pastoral Associate

During the Octave (eight days) of Christmas we celebrate the Feast of the Holy Family this Sunday. The significance of the Feast unfolds when we come to understand the deeper truths it reveals. It teaches us about Jesus, Mary, and Joseph as a model about each one of us and our own families. The Church is the place where we learn, advice on family life, as the Apostle Paul provides in our second reading to the Colossians to "*put on love, that is, the bond of perfection*" (Col. 3:14). We know very little about the life of the Holy Family through the canonical Gospels in the years before Jesus' public ministry. Scripture tells us practically nothing about the first years and the boyhood of the Child Jesus. All we know are the facts of the stopover in Egypt, the return to Nazareth, and the incidents that occurred when the twelve-year-old boy accompanied his parents to Jerusalem. Joseph and Mary were observant Jews, bringing twelve year old Jesus with them on the annual pilgrimage to Jerusalem for the Passover with other Jewish families (Luke 2:41-52) where we hear that Jesus remained behind in the Temple without informing his parents. The distraught parents worried themselves sick and like any mother would do, Mary issued a slight scolding, "*Why have you done this?*"

Devotion to the Holy Family is a recent development that naturally grows out of a love for Jesus and his family. The Feast of the Holy Family commemorates their life together and the celebration focuses on family life. Because of the flight of the Holy Family into Egypt, a feast for the Holy Family has been observed by the Copts from early times however, in Western Christianity, the reverence for the Holy Family as a group, rather than as individuals, did not arise until the 17th century and was not officially recognized until the feast day was formally instituted in 1921 under Pope Benedict XV. Popes before and including

Benedict XV (especially Leo XIII) promoted the feast as a way to counter the breakdown of the family unit, promoting the observance with the hope that it might instill into Christian families something of the faithful love and the devoted attachment that characterize the family of Nazareth. Originally celebrated on the Sunday after Epiphany, the Feast of the Holy Family was moved to the Sunday after Christmas in 1969, bringing it within the Christmas season.

This Feast is not just about the Holy Family, but about our own families too. The main purpose is to present the Holy Family as the model for all Christian families, and for domestic life in general. Our family life becomes sacred when we live the life of the Church within our homes. This is called the "domestic church" or the "church in miniature." St. John Chrysostom urged all Christians to make each home a "family church". How does one live out the Church in the family? The best way is by making Jesus the center of family and individual life. Ways to do this include: reading scripture regularly, praying daily, attending Mass at least on Sundays and Holy Days of Obligation, imitating the actions of the Holy Family, and going to confession frequently, all done together as a family unit. The Holy Family feast is a good time to remember the family unit and pray for our human and spiritual families. We also may take this feast to reflect on the value and sanctity of the family unit and to evaluate our own family life. What ways can it be improved? What would Jesus, Mary, and Joseph do? Finally, we can use this feast to ask ourselves what we are each doing to promote the family unit within our own cultures, neighborhoods, and communities.

NEW MEMBERS

Adults who are 21 years and older are encouraged to register as members of the parish. Church attendance alone does not make you or your family registered members.

Parish membership is required for Baptism, First Reconciliation, First Communion preparation, Christian formation enrollment, Confirmation and Marriage. Please call the Parish Office to make an appointment.

BAPTISM

Baptism requires preparation of the parents and should be completed *early in your pregnancy or adoption process*. Please call the Parish Office to register for the next class and upcoming available Baptism dates.

MARRIAGE

Engaged couples, planning on getting married through St Leonard parish, need to meet with the priest at least 6 months in advance. Please note that no date can be finalized for the wedding until after this initial meeting takes place. At least one of the couple must be a registered member of the parish. Please call the Parish Office to make an appointment.

MINISTRY TO SICK & SHUT-INS

If you are confined at home and unable to attend Mass, to receive Communion please call the parish office for a visit from the Pastoral Associate. The extended care facilities in our area are gradually reopening and our nursing home ministers are resuming Communion services per facility direction. Because of federal privacy laws, if you wish a visit from the priest or Pastoral Associate while in the hospital, you or your family must call the parish and inform us that you are a patient and request a visit.

"SILENT NIGHT"

With the passing of Christmas we have now concluded our Advent journey and celebrated the birth of Christ. Undoubtedly there's an unwritten law that certain songs must be sung on Christmas, otherwise it "wouldn't be Christmas" as Fr. Dan likes to say! One such song is "Silent Night," a 200-year-old Christmas classic that many of us have heard but may not know the history of. The hymn was composed on Christmas Eve, 1818, by Austrian priest Fr. Joseph Mohr and his parish's organist, Franz Gruber. Due to recent river flooding, their church's organ was damaged and rendered unusable for Christmas services. Desperate to find music for the evening's Masses, the two set to work writing a hymn tune that could be accompanied by guitar, using lyrics from a poem written by Fr. Joseph two years prior. Eventually, "Silent Night" was born, and sung for Masses that night. An organ repair man overheard the song, quickly became enamored with it, and brought it to his hometown where it continued to spread and gain popularity. Today the hymn is sung in over 140 languages and reminds us that Christmas is the "dawn of redeeming grace," the beginning of our journey toward salvation as the people of God. *Bryan Staedler, Director of Music*

Christmas 2021

The angel said to them, “Do not be afraid; for behold, I proclaim to you good news of great joy that will be for all the people.” Luke 2:10

Dear Brothers and Sisters in Christ,

Imagine being a lowly shepherd, watching over your sheep on a typical night, and then suddenly, your life changes forever. A bright light and a multitude of angels appear, proclaiming that “great joy” is to be had. While the message was one of celebration and awe, I can’t help but think that if it were me, I too would be a little more frightened than overjoyed in the moment.

How many times have we been struck with fear in our lives? During the past year, many of us faced the fear of a worldwide pandemic, a serious health diagnosis and possibly a job loss. During difficult times, it can be hard to “fear not,” as the angels assured the shepherds.

No matter where you find yourself this Christmas – perhaps back to Mass for the first time in a long time, or in the same pew you’ve been sitting in for years – please know that Jesus loves you and wants to be in a relationship with you.

This coming year, I encourage you to reconnect, rediscover, and renew your relationship with Jesus and his Church. Here in the Archdiocese of Milwaukee, you’ll discover a multitude of opportunities to encounter the love of Jesus and deepen your spiritual life.

Together, let us not fear but rejoice in the “good news of great joy!”

Sincerely yours in Christ,

Most Reverend Jerome E. Listecki
Archbishop of Milwaukee
