SAINT BLAISE AND THE BLESSING OF THROATS

February 3rd is celebrated as the Optional Memorial of St. Blaise. We will offer the traditional Blessing of Throats immediately after all Masses next weekend on January 29-30.

After the closing song, you may come up to the one of the ministers holding blessed candles. The minister will hold the candles over your throat and say the blessing prayer.

St. Blaise is someone deeply rooted in popular piety. He was a bishop in Armenia during the 4th century. He was martyred in 316 AD, during the persecutions of the Roman Emperor Diocletian.

According to tradition, St. Blaise had been arrested and put in a dungeon for being a Christian. He was brought food and candles by a pious woman who felt sorry for him. One day, she brought him her son who had a fish bone stuck in his throat. St. Blaise prayed over the boy and he coughed up the fish bone. Ever since, St. Blaise became associated with the healing of throats.

Here is the traditional blessing on St. Blaise Day:

“Through the intercession of St. Blaise, Bishop and Martyr, may God deliver you from every disease of the throat, and from every other illness: In the name of the Father, and of the Son, and of the Holy Spirit. Amen.”

Fr. Dan Janasik

“LORD, YOU HAVE THE WORDS”

Today’s first reading tells of the priest-scribe Ezra reading to the Israelite people from the book of the law of God sometime after their return from the Babylonian exile. Upon hearing the laws proclaimed, the people began to weep, but Ezra tells them, *“Do not be saddened this day, for rejoicing in the LORD must be your strength!”* In today’s world, rules and laws can often be a source of anxiety and frustration, but we are reminded that the laws of God are meant to free us from our own selfish desires and lead us closer to God. We hear this same idea echoed in Psalm 19 today. We hear the lines, *“The law of the Lord is perfect, refreshing the soul”* and *“The precepts of the Lord are right, they gladden the heart.”* To the psalmist, the law of God is not a restriction, but instead the source of wisdom that empowers and liberates those who adhere to live lives of meaning and purpose. As Psalm 19 says, God’s laws should gladden our hearts not only because they are fair and just, but also because they are our roadmap to happiness with Him. This week, take a few minutes and ask yourself: do I joyfully embrace the Law of the Lord, so as to be a better follower of Christ?

Bryan Staedler, Director of Music

EZRA: REPAIRING POST-EXILE WORSHIP*Bridget Klawitter, Pastoral Associate*

Our first reading this weekend is from the Book of Nehemiah and tells of Ezra, a priest and “a scribe skilled in the law”, who read to the people of Jerusalem from the book of the Law of Moses. A bit of background can help us understand this reading. Though Ezra is not one of the more widely known figures in the Bible, he played a vital role in the spiritual health of the Jewish people. Ezra, whose name means “help,” was a descendent of Aaron, the chief priest under Moses, and was related to Joshua, who became the High Priest of the rebuilt Temple after the Babylonian Exile. Ezra spent his life as a priest, serving the Israelites both during their exile in Babylon and as they returned to Jerusalem. And his religious leadership helped generate a revival among the Jews as they resettled.

Ezra represented the position of stricter Babylonian Jews who had been upset by reports of permissiveness in Judah and desired to see matters corrected. Called “the father of Judaism” or “the second Moses” by some, Ezra was passionate about God’s Law. It was the foundation of his own life, and he used the Torah (which later became the first five books of the Old Testament) to remind others how to live righteously. In about 538 BC, King Cyrus of Persia proclaimed that God’s Temple in Jerusalem was to be rebuilt. The first group of volunteers left Babylon, led by Zerubbabel. They met with opposition from political enemies, but eventually, after about ten years, the project resumed, and the Temple was finally completed in about 516 BC. Ezra was the second of three key leaders to leave Babylon with volunteers for the reconstruction of Jerusalem, sent with religious and political powers by the Persian King Artaxerxes. While Zerubbabel had reconstructed the temple, and Nehemiah would rebuild the walls, Ezra soon realized that the worship life of the returning exiles needed repairing. He condemned mixed marriages and

encouraged Jews to divorce and banish their foreign wives. He renewed the celebration of festivals and supported the rededication of the Temple and the rebuilding of the Jerusalem wall. He desired a molding of the community in accordance with the Torah and his impeccable priestly and scribal credentials allowed him to remain the model leader. In our first reading, as all the people gathered in the square in front of the Water Gate of Jerusalem, they called upon Ezra to bring forth the book of the law of Moses which the Lord had commanded for Israel. Thirteen men are named specifically; it has been suggested they are listed partly to declare their consent and agreement with Ezra in what he said and did; and partly that they, or some of them, might have had a role in the important duty of publicly reading and clarifying the Scripture in the Temple. Our reading takes place on the first day of what became known as the Feast of Booths, and Ezra read from the book of the law of Moses, day after day, from the first day to the last of the seven-day feast, ending with a solemn assembly on the eighth day as was required.

The combined work of Ezra and Nehemiah is our most important literary source for the formation of the Jewish religious community in Judah after the Babylonian exile, and these two men were most responsible for the reorganization of Jewish life during this period of time. In addition to being a priest and a scribe, Ezra was also a prolific writer. In addition to the book in the bible that bears his name, he contributed to both 1 and 2 Chronicles, as well as to the book of Nehemiah. Traditionally Judaism credits Ezra with establishing the Great Assembly of scholars and prophets, the forerunner of the Sanhedrin, as the authority on matters of religious law. As for the end of his life, some scholars hold that Ezra was buried in Jerusalem, but others claim his body was returned to Babylonia and buried there.

SPECIAL COLLECTION FOR HUMAN CONCERNS

You are likely aware of the many items that the Human Concerns Committee collects throughout the year: food, gifts, cleaning and paper supplies, clothing, school supplies, etc.

Because of your generosity, these collections touch your neighbors in Muskego as well as people from the surrounding communities. We thank you for your support!

But did you know that Human Concerns also strives to make routine monetary donations to non-profit organizations that are local as well as those with a global reach? Organizations in the past have included: 4th Dimension Sobriety, Blessings in a Backpack, Community Projects for Seniors, Heart of the Nation, Life Navigators, and many more!

During this time of COVID19, donations are down for many facilities and organizations that help the needy yet the population they serve has INCREASED. Prayerfully consider making a monetary donation so that we can use the funds to support such groups as those listed above. *Donations can be made by writing a check made out to St. Leonard Congregation with Human Concerns in the memo line. Place in an envelope (or use the one that you received in your January/February envelope packets) and put in the collection basket in church. Another option is through the St. Leonard's WeShare on-line giving program.*

VINE & BRANCHES FORMATION PROGRAM FOR SPECIAL NEEDS

On January 17, the Vine and Branches catechesis program for special needs children will begin the second semester of the school year. It is not too late to enroll your special needs child into this valuable program.

Vine and Branches has been in existence since the 1980's. During this time we have been fortunate enough to have special needs students participate in First Holy Communion, First Reconciliation, and Confirmation. The program meets 16 weeks a year at the Youth Center at St. Leonard Catholic Church in Muskego. All ages are welcome to participate in this program.

Vine and Branches charges no tuition to families of the students. The program is funded by the Knights of Columbus and cooperating parishes pay a stipend. Currently, the cooperating parishes are St. Leonard, St. Matthias, St. John the Evangelist, Milwaukee, St. Stephen, and St. Joseph, Big Bend.

We always have room for more children. If you have a child who would benefit from this program, please contact Deacon Rick Wirch at 414-233-3586 for more information.

ARCHDIOCESE

STEWARDSHIP APPEAL:

PLEASE GIVE GENEROUSLY

"Many Hands, One Vision" is this year's Catholic Stewardship Appeal theme. Parishioners will receive a

mailing about this annual Archdiocese of Milwaukee effort the week of January 31. We'll also see a video about the campaign before Masses February 12-13.

The appeal serves families, strengthens parishes, supports schools, and forms priests and parish leaders. Meeting these needs is an important part of what the Church in southeastern Wisconsin does to serve God, more than 500,000 Catholics and countless others.

We hope that you will consider responding generously to this annual appeal by the Archdiocese of Milwaukee.

ESTATE PLANNING is the way to continue your life's work. It is vital that you invest some time to insure that your life's efforts will continue in the hands of the people and causes that will most treasure your gifts. The St. Leonard Congregation Endowment Fund Advisory Board recommends that you have an attorney prepare a proper will, or other documents for easy and efficient transfer of your estate. We can help you get started if you need assistance or referrals. Contact the parish office for more information.

WE ARE ON A MISSION TO FIGHT HUNGER AND POVERTY. YOU CAN HELP.

Our youth will hold soup pots at the SCRIP tables after all Masses one week **BEFORE Super Bowl weekend, February 5 & 6, 2022.** They will join young people in churches across the country to collect money for those who are hungry and hurting. None of the money collected is sent to the Souper Bowl of Caring headquarters. Organizers only ask that each participating church report their collection so national totals can be determined and announced.

All donations will help the hungry.

Please support the youth of our church in this effort to “love our neighbors” by dropping your dollar in the soup pot on Superbowl Sunday.

This year, the money will be dedicated to a special event that will be held on Superbowl Sunday afternoon. Human Concerns and the Confirmation students will be packing rice and bean meals for World Wide Hunger Relief. Worldwide Hunger Relief, Inc. is a group of volunteers in the greater Milwaukee area who felt compelled to do something to help alleviate starvation among children in many parts of the world, including the USA.

Last Friday the Pastoral Council hosted the annual Christmas Epiphany Party for parish & school staff, committee chairpersons and Pastoral Council members. Attendees were treated to lovely tables settings, delicious food catered by Rupena’s and good company. Thanks to Pastoral Council for their efforts, in particular Kim Stanton.
