# PASTOR'S LETTER

Dear friend,

Happy Easter! On this 3<sup>rd</sup> Sunday of Easter, the Church presents another Gospel story of Jesus appearing to His Apostles. In this passage from John, it appears the Apostles have gone back to normal life before Jesus. The majority of the Apostles were fishermen. Once called by Jesus to follow him, Jesus told Peter that he would no longer catch fish, but people. Jesus was to show the Apostles the way to fish for souls. Over a period of years Jesus paved the way for the Apostles to start the Church after His death. In these weeks of Easter, we recall how their first response to the Crucifixion was fear and hiding. Jesus appears to the Apostles in Jerusalem and tells them to return home to Galilee. The Gospel this weekend has Peter going back to fishing with the other Apostles. In some ways, it might be understandable that they didn't know what to do next. Peter, out on the boat, realizes the Risen Christ is on the shore, jumps into the sea to get near Him. This urgency and desire to be with Jesus is beautiful. The questions that follow tell the real story of the encounter.

After breakfast, Jesus asked Peter, "do you love me?" Three times Jesus asks Peter this question and three times Peter responds, "yes, Lord, you know I love you." The story then takes on its meaning. Peter is to feed, tend and care for the sheep of Jesus. With this exchange, Jesus makes it clear that service of Jesus and His Church would require everything Peter had to give, even his life. And this call to serve the Church wouldn't happen by returning to fishing, or returning to a former way of life. One of the simple truths of the Gospels is that an encounter with Jesus changes your life, not just for a day, but forever. After the prayer, fasting and almsgiving of Lent, our lives are supposed to be different forever. The challenge of Christian conversion, is to never return to what we were before the journey started. Like Peter, we are tempted to go back, but the Easter joy reminds us that a change of life in Christ is about eternity. No matter how big or small our spiritual growth was this past Lent into Easter, may the Lord continue the good work in all of us.

Last Sunday, the community celebrated the First Communion Mass for our 2<sup>nd</sup> grade school and CCD students. Like First Confession, it is always a joy to see the reaction of the children in receiving the gift of a sacra-

ment. No matter our age, the gift of the Eucharist from God is meant to make us all feel loved. The Communion we experience with God and one another at Mass and through reception of the Eucharist, allows us to both feel and know that unity with God fulfills the ultimate desire of life. The Eucharist is the food for our journey to heaven and heaven is that gift of eternal fulfillment. May we all find in the Mass the precursor to our heavenly life and desire to gather with each other weekly to celebrate our common faith in God.

This summer we will host a Totus Tuus week. It is Saturday June 14 to Friday June 20, 2025. Totus Tuus is similar to a Vacation Bible school but the themes and topics are entirely Catholic Church based and a trained Totus Tuus team come to the parish / school to organize and run the retreat days. There are roles for adult members of the community to support the week, but the week is primarily taught by a visiting team of young adults. For school families, the registration was emailed to parents. CCD parents or anyone else interested in information about Totus Tuus can call the parish office and talk to Theresa who is handling registration. Have a great week!

God Bless,

Fr. David

### St Vincent de Paul Home Ministry

Epiphany Parish is now joining the other Catholic Parishes in our community in supporting St. Vincent de Paul Home Ministry. This organization, known as the St. Brigid Conference, provides financial assistance to community members for housing costs and utilities.

You will soon see in your envelope packets and on your on-line donor page a place to donate. Please consider contributing financially to St. Vincent de Paul. We have so many needs in our community, and we often are without funds to respond. The QR code will allow you to donate directly.

We also need volunteers. Our volunteers make home visits to families to offer help and provide emergency funding. Volunteering is a great way to get active in our local community, meet people, and most importantly, to live the gospel. We'll provide all the tools and training to help you get started.

Please join us in this new ministry!

For more information or to volunteer, please contact Carol Csanda [carol.csanda@gmail.com](mailto:carol.csanda@gmail.com) or 309-826-6950, or go to [SVDPBN.com](http://SVDPBN.com).
