### Scripture Reflection

A stewardship way of life means that I wisely steward what I have and I cannot give what I do not have. Have you ever given someone a present you couldn't afford and think that was love? It wasn't. We don't show love by giving what we do not possess. We show love by meeting another's needs and by sharing our very self with them. At our core, what we long for from others more than anything else is love. Would I have others give me lavish gifts and shower me with empty compliments or would I have them give to me something much more valuable: the love in their hearts? In turn, I need to love myself more by realizing that no purchase will offer fulfillment more than the love of God shown to me in Christ Jesus. © LPI
