Scripture Reflection

“Ten lepers met him. They stood at a distance ...” In the ancient world and into the Middle Ages, there was no treatment for leprosy. People thought it was wildly contagious and were suspicious of any skin diseases. Lepers were isolated from civil society. This isolation was upheld by the Mosaic Law. Should there be a healing from leprosy, the former leper was to present himself to a priest to certify the healing. Like Jesus commands, “Show yourselves to the priests.” The person would then undergo a religious rite to be formally reintroduced to society. In other words, a leper got their life back. So why didn’t they come back? ~ © LPi

Take Away Hunger Book Sale

Please consider donating gently used books, audio books, CD's and DVD's for the St. Anthony Parish Take Away Hunger Book Sale. Collection bins are at the church entrances, or you may call Nancy at 563-581-3839 to arrange for a volunteer to pick up your books. The book sale will be held in O'Malley Hall the weekend of Nov. 2-3 and all proceeds will be donated to Take Away Hunger to provide ready-made meals to those in need. Thank you for supporting this worthy cause.

The two healings illustrate how God is found in suffering. Have you experienced a deepening of God's presence during suffering?

65% Tax Credit Too Good to be True?

Not at all. If you file an Iowa Income Tax Return, your contributions to the Our Faith School Tuition Organization (STO) receive a 65% tax credit. That means for every \$1000 you donate, you receive an Iowa income tax credit of \$650, which reduces your Iowa tax liability by \$650. In addition, your gift may qualify for federal deductibility. And that gift you made? It helps make a Catholic school education affordable for every child, regardless of their families' financial situation. It really is that simple. Visit www.OurFaithStro.org or call the Archdiocese of Dubuque at 800-876-3546 ext. 219 or 307 to learn more.
