From Father Steve's Desk

All the Gospels show that the resurrection of Jesus wasn't easy for the apostles to grasp. They aren't immediately sure what to make of these appearances. The Gospel today tells us that some of the apostles were fishing and Jesus was on the shore. They thought they were seeing a ghost. However, the gospel shows Jesus eating with the apostles. This is to emphasize that the resurrection isn't simply a spiritual phenomenon. There was something the same about Jesus and at the same time something different. Jesus now possessed a transformed, glorified body. He is now present to his disciples in a different way. He is present to the church in the form of mystery.

Baptisms

Through the waters of baptism, we welcome into the family of God:

Vinson, son of Valaine Crimmins

May our faith community provide Christian witness and assist this child to grow in faith.

Rest in Peace

We extend our prayers and sympathy to the family and friends of **Louis Smothers**.

May God grant him eternal life.
"Let them find rest from their labors, for their works accompany them." (Rev 13:14)

SIMPLE LIVING
Live in a way that is king to your soul. Keep vigil with your life. Using the Benedictine practice of pausing from work for prayer seven times a day, calls us to pause at particular moments in our day. ~Macrina Wiederkehr
