\$CRIP NEWS

Some things to remember...

- If you've had a \$crip card for a while, please know some of the cards deduct \$2.00 a month after one year of non-use.
- When redeeming \$crip cards, hand one card at a time. This will avoid the same card being scanned twice.
- If a \$crip card is scanned and you are told it has a zero balance (but you believe it has money on it), please call the number on the back to verify the balance or bring it to the \$crip office to be verified.

Thank you for your support of our \$crip Program!
