### MISSION COMBINED COLLECTION JANUARY 8TH-9TH, 2022

#### Black & Indian Missions

The Black and Indian Mission Collection exists to help local African American and Native American diocesan communities throughout the United States spread the Good News of Jesus Christ and respond to real and pressing needs. This collection advances causes important to native and African American Catholics.

#### Catholic Home Missions

"Home Missions" is the name for dioceses and parishes in the United States, including its territories and former territories, which cannot provide basic pastoral services to Catholics without outside help. Basic pastoral services include Mass and sacraments, religious education, and ministry training for priests, deacons, religious sisters and lay people.

#### Solidarity Fund for the Church in Africa

While the Church in Africa is growing, many still lack access to basic resources and pastoral care. Many suffer due to high rates of poverty and unemployment, illiteracy, and poor education. The Solidarity Fund for the Church in Africa supports pastoral projects that foster lasting peace and reconciliation in a continent often marked by division and tension.

#### The Society for the Propagation of the Faith

The Society for the Propagation of the Faith is vital to the missionaries serving in 1,111 dioceses throughout Asia, Africa, parts of Latin America and Europe, and on the Islands of the Pacific. Your generosity makes it possible for local priests, religious, and catechists to reach out to communities, families and children in desperate need, bringing the light of Christ to the darkest of circumstances covering more than half the globe. ## FROM THE PASTOR'S DESK

This year, the Christmas season has come and gone quickly! Purists observe the Christmas season from Christmas Eve to the Feast of Epiphany (this year, Epiphany is celebrated this weekend,

January 2<sup>nd</sup>). But today, our modern liturgical calendars call us to observe the Christmas season until the Feast of the Baptism of the Lord (this year, the Baptism of the Lord falls on January 9<sup>th</sup>). Whichever calendar you follow, please maintain your Christmas cheer and charity... as long as possible!

Regardless of how long our Christmas season lasted this year, I can say we had an excellent Advent and Christmas here at All Saints. Our Advent had many special components this year. The Family Night for Advent Preparation in early December was fantastic. Not only did we share an interesting and informative Family Bible Study on the Eucharistic dimensions of the Nativity of Christ, but each family that attended was able to decorate and take home their own manger scene. Thanks to all the youth who helped paint and construct the 90 stables we needed for this project! By the way, if you're wondering what the Nativity sets looked like, look at our parish Christmas card this year. The scene on the cover of the card is one of the religious education Nativity sets.

In spite of the global pandemic, St. Nicholas showed up on the Sunday before his feast day, ready to take pictures with families in the lobby of our church. He had his special Christmas gift stockings and "St. Nicholas Cookies" to offer the children. It was great fun to see St. Nick again! That was also the weekend that many of our parishioners delivered special cookies to many of our parishioners who lost loved ones this year, faced serious illness, or who are unable to leave their homes due to poor health or advanced age.

The parish Christmas Basket project this year was exceptional. The gifts our parish provided people in need in our area were amazing, and so thoughtful. Despite difficulty getting food orders filled, the grocery items provided in the Christmas Baskets were phenomenal. And what a crew showed up to help distribute the baskets! Most of the baskets were given out within a half hour. Job well done!

Both our parish Advent penance service and Deacon Mike's Wednesday presentations on the Mysteries of the Holy Rosary were well attended. In fact, all through Advent and Christmas, we've had so many parishioners and guests for various events, as well as Mass. Even with the pandemic spiking again in the country and our own area, we've had a growing number of people returning to Mass in person. For those who cannot attend in person, our parish live stream remains quite popular and appreci-

ated. Thanks to our Live Stream Crew! They're the best. We can be proud that our efforts in live streaming are truly among the best in the country.

As always, our church was beautiful again this year. So many parishioners helped out setting up the church Christmas Tree, the Nativity, and the wreaths. Each of those (huge) poinsettias was donated by one of our parishioners in honor of a loved one. Thank you all for being so generous!

I can't end this column without recognizing our parish musicians. The adult choir, cantors, and instrumentalists, put in many extra hours this holiday season. We are very blessed to have so many talented people at All Saints. An additional word of thanks to the members of our virtual Children's Christmas Choir. In case you didn't see the children sing this year, their music videos are still available to see online. (*Just put "All Saints Gladstone Children's Christmas Choir 2021" into the Youtube search engine, and the videos will pop up!*)

Thanks to everyone for making our 2021 Christmas so special at All Saints. We always do a great job observing the special seasons of the Church year. So, get ready... Lent starts in less than two months (Ash Wednesday, March 2<sup>nd</sup>).
