MISSION COMBINED COLLECTION JANUARY 8TH-9TH, 2022

Black & Indian Missions

The Black and Indian Mission Collection exists to help local African American and Native American diocesan communities throughout the United States spread the Good News of Jesus Christ and respond to real and pressing needs. This collection advances causes important to native and African American Catholics.

Catholic Home Missions

"Home Missions" is the name for dioceses and parishes in the United States, including its territories and former territories, which cannot provide basic pastoral services to Catholics without outside help. Basic pastoral services include Mass and sacraments, religious education, and ministry training for priests, deacons, religious sisters and lay people.

Solidarity Fund for the Church in Africa

While the Church in Africa is growing, many still lack access to basic resources and pastoral care. Many suffer due to high rates of poverty and unemployment, illiteracy, and poor education. The Solidarity Fund for the Church in Africa supports pastoral projects that foster lasting peace and reconciliation in a continent often marked by division and tension.

The Society for the Propagation of the Faith

The Society for the Propagation of the Faith is vital to the missionaries serving in 1,111 dioceses throughout Asia, Africa, parts of Latin America and Europe, and on the Islands of the Pacific. Your generosity makes it possible for local priests, religious, and catechists to reach out to communities, families and children in desperate need, bringing the light of Christ to the darkest of circumstances covering more than half the globe. Prayer of Spiritual Communion

My Jesus, I believe that you are present in the most Blessed Sacrament. I love You above all things and I desire to receive You into my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. I embrace You as if You have already come, and unite myself wholly to You. Never permit me to be separated from You. Amen.

Adult Choir Practice

Adult choir practice is on Thursdays at 6:30 pm. If you have never been in a choir, if you can't read music, if you just want to make a joyful noise for the Lord, we need you! Please come and sing with us, make new friends and deepen your relationship with God through music. We practice every Thursday for an hour and meet on Sundays at 9:15 am to sing at the 10:30 mass.

Congratulations on Your Engagement!

Congratulations to all the couples who got engaged to be married over the holidays! If you are planning to have your marriage celebrated at All Saints Church, please contact Fr. Jamie as soon as possible (428-3199). Please remember that for a marriage of any baptized Catholic to be considered valid by the Church, it has to be celebrated in the Catholic Church, officiated by a priest or deacon. Under some circumstances, a wedding could be celebrated in another religious community with the proper permissions of the Church. For any wedding, engaged couples must contact the pastor at least six months prior to any planned marriage dates.

If you know of someone who is homebound and would like to receive Communion, please call Cindy at our Parish Office 428-3199.

FROM THE PASTOR'S DESK

This weekend, we celebrate the Feast of the Baptism of the Lord, officially ending the Church's Christmas season. I hope you were able to celebrate Christmas well this year. I feel fortunate

that I was able to spend Christmas Day and New Year's Eve with friends, and I was able to visit my parents' home for a few days after Christmas. I was very grateful for a restful visit.

But like many of you, the coronavirus was the pall hanging over my family Christmas celebration. In my family, our concern grew as we moved closer to December 24th. I have family members with some serious health conditions. Even being full vaccinated, they are more vulnerable to illness, so we have good reason to be extra careful. We ended up going ahead with our family gathering, but then one of my nephews tested positive on Christmas Eve, so that part of our family was not able to join us. It was pretty low key after that. Don't get me wrong! I feel very fortunate that I was able to just hang out at my parents' house and recover from all the excitement of Christmas 2021. But we all stayed pretty close to home.

COVID remains a central concern for everyone, whether it is with family, business, or Church. As I talk with Church and community leaders in our area, most people seem to have arrived at the understanding that the coronavirus is going to be with us for a

while longer. Although the people I've discussed COVID with continue to take the virus seriously, most have adopted the idea that we must learn to live with it... as safely as possible. From what I see, most people I know seem to be in this category, and it is reflected in how we are living parish life.

We continue to have Masses on Saturday/Sunday and during the week. There are really no restrictions at this time or mask requirements. Our religious education program will continue to meet in person now that the holidays are behind us. Just so you know, we continue to wipe down the pews in church a couple times each week, and our classrooms are sanitized each week before Wednesday evening classes return.

I simply want to encourage everyone to do the things we know help slow the spread of illness: wash your hands a lot, use hand sanitizer, avoid touching your face, don't shake hands, stay home when you are sick, and social distance whenever possible. When you come to Mass, please feel free to sit in areas where there may be more space between you and the people sitting by you. If there are people sitting on the end of the pew in front of you and behind you, consider sitting in the middle of your pew. You can always sit in the chairs up front and along the back wall (it's easier to socially distance there), or even go up to the loft during the 4:30 PM Saturday Mass or Sunday 8:30 AM Mass (the choir is up there during the 10:30 AM Mass, so there really isn't any room at that time). And don't be embarrassed to wear a protective face mask. It is not required, but recommended.

We continue to broadcast our live stream Mass each Sunday at 10:30 AM on both our Facebook page and parish website. After Mass this past Sunday, I took a few minutes to review the recording of our live stream. Our crew has become even better at what they are doing! The lector, choir, organ, deacon and cantor can not only be seen; they are so clearly heard. Our live streaming crew even makes ME sound good! I hear this comment often: "When I watch our parish live stream... it's like I'm right there in our church." Although watching on live stream isn't the same thing as being there, it is still a better experience than not having a way to be part of our parish community and having no way to participate in the Mass.

One last thing: please remember that local parish pastors are able to give dispensations from the obligation of attending Sunday Mass if you have a reason that makes you feel uncomfortable coming to Mass during this time of increased concern. Just give me a call; I'd be glad to help.

Let's keep concern for the pandemic on the front burner and keep in our prayers. Let's pray for everyone doing health care, staffing nursing homes, stocking our grocery store shelves, keeping our community safe and protected, and delivering everything we need to our homes and businesses.
