## From the Pastor's Desk

Dear Brothers and Sisters in Christ,

May the Holy Angels always surround us and draw us closer to Jesus in praise and thanksgiving!

Saint Pope Paul VI said that the cell of society is the family. If a body has healthy cells, then the body is healthy. If a society has healthy families, then the society is healthy.

Our world seems to have gone bonkers, but the solution is quite simple. We each need to center our lives on Jesus Christ and the Church, marriage, family, and parish life. This is the heart/core and everything else that we do is meant to be a living out of this and is to orient ourselves more fully to the heart.

Life and society is about the family and the parish is to be a family of families. May this be our aim and may Jesus be our light.

This past week we celebrated the Feast of the Archangels and this week we celebrate the Feast of the Guardian Angels. Everyday, let's say the St. Michael the Archangel and Guardian Angel prayers. The angels are rewarded for the help that they give us so they are always quick to assist us in our needs. Think of how better the world would be if we simply looked to Jesus and called for Him and His holy array to come work on our behalf.

Have a blessed week!  
Much love!

Peace and Joy,  
Fr. Drew
