## From Father Drew

Dear Brothers and Sisters in Christ,

I encourage all of us to learn more about Saint Philip Neri, who lived in Rome in the 1,500's. He is the patron saint of joy, laughter, comedians, artists, writers, and more!

Neri once had a profound experience of the Holy Spirit on Pentecost when, in prayer, he saw a large fireball enter his mouth and go to his heart, which set it on fire and enlarged it for the rest of his life.

He had considered becoming a Jesuit missionary to foreign countries but through prayer and good advice he stayed in Rome and evangelized the streets through joy and witness. He shared the faith with so many people in Rome that he is considered the Second Apostle of Rome.

He formed a new style of diocesan priestly living where diocesan priests lived in community and went out to different parishes and the only vow they took was: love.

Let's learn from his evangelical witness and ask him to pray for us as we seek to love God, love each other, and grow the Kingdom of God.

Peace and Joy,  
Fr. Drew
