Gospel Reflections... THE HOLY TRINITY

The Holy Trinity is the mystery of one God in three persons. Man must bow respectfully to this sublime mystery and believe it without trying to deepen it, because he is above the light of his reason.

The Holy Trinity is the fundamental mystery of our religion. In his name we have been baptized. The sign of the cross reminds us of it, and the priest, at the altar, invokes it to finish all his prayers. In his name we are absolved in the penitential court, and in his name, the sacrifice of Calvary is renewed every day on our altars.

The Holy Trinity is also a pledge of our eternal happiness: God himself will be our reward if we have kept his law.

Holy, Holy, Holy, is the Lord, God of hosts. The heavens and the earth are full of his glory.

I adore you, God three times holy, Father, that you have created us, Son that you have redeemed us, with your healing, Holy Spirit, that you sanctify us with the graces that you grant us every day. Make me keep your likeness or image in my soul, so that one day you will recognize me and live with you in eternity.

In the name of the Father, the Son and the Holy Spirit.

Amen.

TRI PARISH NEWS

1. **Thank you** to Caine Transfer from St. Katharine Drexel Parish for letting them use a semi trailer for the past 14 months to hold church supplies during the church renovation. This is another great example of how the tri-parishes have been doing a good job at loving your neighbors.
2. Did you know St. Columbkille Church made a donation to the Dodge County Pregnancy Support Center recently? The check was presented to the center's executive director, Ya-Fen Szczesny. Thank you for **supporting life** in our communities!!! Great job.

Suicide doesn't end the chances of life getting worse, it eliminates the possibility of it ever getting any better. – Unknown

When the mind is so dark, it can be hard to see any possibility for future happiness, but it can – and often does – get better. Whether it's through taking medication, counselling, exercise, eating well, getting into a routine, or setting goals, these steps will help you on your path. Know that it is possible to recover from feelings of depression, pain, and suicidal thoughts. Here is this week's spotlight community resource:
