As the Church year comes to an end, the Sunday readings reflect on the final days of the world, our own death and the final judgment. Today's theme is “The Day of the Lord” or the “Second Coming” of Jesus in glory as judge at the end of the world.

We need to be prepared daily for death and judgment. The ideal way to accept Jesus’ apocalyptic message is always to be ready to face our death. We must live holy lives of selfless love, mercy, compassion and unconditional forgiveness, remembering the demands of justice in our day-to-day lives. We must also take time to rest and to pray in order to keep our hearts alive to God’s presence with us and within us. Daily examination of our conscience at bedtime, asking God’s pardon and forgiveness, also prepares us to face God at any time to give an account of our lives.

RE NEWS
Our RE Students have been busy! Last week our 10th graders attended the Shrine of Our Lady of Good Help. Our Confirmation students had their first class, and many students had their first practice for the Christmas play. A short recap:

Shrine: Students heard history talk and tour, went to confession and mass. Heard great homily that highlighted it was the Feast day of the Dedication of the Lateran Basilica. It was explained why a feast day would be dedicated to a church-part of the explanation was that at every single mass, during consecration Heaven comes down to earth! Whoa-this gave a great perspective for the sacredness of our churches. It was also discussed that recently when the 850 year old Notre Dame Cathedral in Paris started on fire, many people, both Christians and non-Christians, were devastated and put forth every effect to restore this sacred structure. Many people realize the value in restoring the Notre Dame Cathedral or in the concept of why we build amazing, beautiful churches, is because they are the temple where heaven touches earth! But do all of us realize that every time we receive the Eucharist, we are a living temple that Jesus (Body, Blood, Soul and Divinity) comes and lives within us. If each of us, took as much care to make our own personal temple: ourselves; our souls, truly worthy and ready to receive Jesus-the world would be a totally different place, a small glimpse of a fraction of what heaven on earth might be like.

Confirmation Class: Started first class, because these students are awesome and active… and know their faith, we started with a really needed intense discussion of how we are the temple where heaven touches earth! But do all of us realize that every time we receive the Eucharist, we make our own personal temple: ourselves; our souls, truly worthy and ready to receive Jesus-the world would be a totally different place, a small glimpse of a fraction of what heaven on earth might be like.
