FROM THE PASTOR'S DESK

In this story, Jesus decided to ask a question in two parts. First - "What is the public opinion about me? Second - "What is your personal opinion? Their answer to the first question was: "Some say John the Baptist, others Elijah, still others Jeremiah or one of the prophets." Peter volunteered to answer the second question saying: "You are the Christ, the Son of the living God." Jesus confirmed Peter's insight as a special revelation from God. "No mere man has revealed this to you, but my heavenly Father."

Challenge to us: Let us experience Jesus as our Lord and Savior and surrender our life to him. Let us experience Jesus as personal Savior by listening to him through the daily, meditative reading of the Bible, by talking to him through daily, personal and family prayers, by offering him our lives on the altar in frequenting Holy Mass, by being reconciled to Him every night when we ask his pardon and forgiveness for our sins and by receiving the sacrament of reconciliation whenever we are in mortal sin.

GOD BLESS US ALWAYS!

RE NEWS

Please keep our students and families in your prayers as they transition back to school. This year continues to be different in many ways; despite the uncertainty, one thing is certain—we all need more Jesus! Our faith is what gives us confidence and peace in these uncertain circumstances of this life. Our plan is to offer in-person RE classes this fall. There will be a few changes to our program to ensure we are abiding by best safety practices. Our RE program will have a delayed start: October 21st. We are hoping to give students and parents time to adjust to the differences this academic year will bring, to give our catechists time to adjust to new guidelines and plan out great teaching lessons and to give all of you more time to prayer for a good start to this RE year. More information regarding our RE program will be sent to families in the upcoming weeks.

10/14- Catechist In-service 6PM Coleman

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

The Choice of Stewardship

What does it mean to be a good steward? Does it mean to be an active parishioner, or something more? Are we better stewards because we give more in terms of our money and time to our parish, or are we called to do even more than that?

The truth is that stewardship is a way of life. We are not simply called to be active parishioners, but instead be active disciples all the time. In fact, what we learn to do in our parish should serve as preparation for the mission field of the world. What have we really done if we only act like disciples of Jesus Christ while we are assembled with others who claim to be the same?

The choice before us is to give of ourselves in all aspects of our day and life. The call of Jesus will come in our everyday lives with our co-workers, family, and friends more often than it will within our parish community. First, if we can't become good stewards when we are among those who proclaim Jesus as Lord, how will we be able to do so when we are with those who are non-believers? Second, when our muscles of gratitude, generosity, and graciousness are strengthened within our parish community, we are more able to meet the challenges of this world. However, we do not become good stewards by accident. We must always choose to live this way. What will you choose?

– Tracy Earl Welliver

THANK YOU!

Thank you to the SHINE group from our parish. It was a pleasure working with all of them as they painted our house. It was good to see such a bunch of hard working and friendly young adults. Keep up the good work! God Bless
Bob & Mary Brusky

THANK YOU!

We have a great group of youth in our parish! The SHINE group was here a couple of weeks ago. I thought that they were only going to paint the windows for us. They didn't only paint the windows, but they also did a lot of yard work, weeding and more. The group and their leaders went above and beyond. They are the future of our parish. We are in great hands. What a blessing we have. God Bless!

SHINE REFLECTIONS-SHINE 2020

This was my first SHINE! I could hardly believe how much fun it was to work that hard. I guess when you're working to make someone's life a little better there's an exception. Jesus can bring that mysterious joy to you. I've seen the differences it made in some of the students I've taught over the years and it was great to be there and experience it first hand. SHINE on!

Franny Makos

I referred to this year's SHINE mission group as the dream team. This group was my inspiration this year. They put their heart and soul into everything they did. Our projects were so rewarding and our residents were so grateful! It is amazing what a bucket of paint, a power washer, clippers and some paper towel can do for a property. It is even more amazing to watch our youth grow in their faith. We were saying that we were supposed to be SHINEing in Denver. But I now know we were exactly where we were meant to be!
