PASTORAL MESSAGE FROM FR. PAUL FLISS

Happy Memorial Day weekend everyone! It is always the kick-off for summer, and this year is the first time in 3 years that our COVID transmission level is considered low. It is wonderful to celebrate and look forward to a fun summer!

As we feel the effects of high inflation and the drop in the stock market, we are all experiencing a financial crunch. Utility costs have increased substantially. This is no less true in the parishes also. We try each year to operate as parishes on the income from weekly giving, but over the last number of years, we have had to also include income from our annual investment earnings at all our parishes. We can sustain this for only a short time. Unbudgeted repairs in older buildings, and unplanned necessary capital expenditures have a negative effect on our reserves too. In addition, the stock market has declined steadily over the past few months, reducing our total reserves by as much as 10%. This makes it hard for us to pull from our reserves to pay for our ministries, which out of need, are expanding.

Our parishes' fiscal year runs from July 1, to June 30th. The first weekend in July, we will be providing in the bulletin the discrepancy between budget and actual giving for this past year for each of the parishes. This will not include any COVID related money we received from the government. We really do depend upon your weekly or monthly, or annual giving for our parishes to provide for all our ministries. The guidelines given for most of us making less than \$100,000 family annual income is to give one fortieth of our pre-tax weekly wage, each week. This works out to about 2.5%. Those near, at, or below the poverty line should give nothing financially, but if possible volunteer time at church. Those who make more should give between 3-5%.

As we close out this fiscal year, and begin a new fiscal year, I ask you to prayerfully reflect on the graces and gifts God has given you through your faith and nurtured with the help of your parish community. And then, if possible, consider increasing your stewardship giving to your parish to help us come closer to maintaining balanced budgets.

SOCIAL OUTREACH

Sheboygan South Catholic Parishes

June Outreach

Hmong RCIA Program Assistance/Laos

Blessed Paolo Thosong Chapel in Laos will be the recipient of our June 2022 Outreach. It is one of the first Catholic churches to be built where Hmong people reside. More and more Hmong villagers are interested in becoming Catholics. There are currently 22 RCIA students with an expectation of more and more each year. Fr. John is the presiding priest and is in need of funds to commute, teach, and provide lunch & snacks. Please consider donating to help him with his work.

Help Needed

Did you know that we have a group at St. Peter Claver called the Heavenly Cleaners?

The mission of this group is to do light cleaning (vacuuming) of the Church proper and the Gathering Space on Mondays and Fridays. This group consists of husband and wife groups and singles.

Are you looking for something to do to get you out of the house occasionally?

Heavenly Cleaners is just the thing for you, it takes about one to two hours to clean if you are by yourself, but if two people are scheduled it takes about one hour. We would like to add some more people to this dedicated group of cleaners. The goal is that everyone would be scheduled one time per month.

If you are interested in this group or would like more information please contact Rochelle Ross at (920)457-1077 ext. 108.

Christ Child Academy News & Notes

This week Tuesday, May 31, CCA will be hosting the "State of the School Address" in the Immaculate Conception Church. The address will include the financial status of the school, a review of the current year, and goals for the next school year.

Recently, the 5th & 7th grade students visited the Sheboygan County Court House for a Law Day program. The objective was to see how the legal system/judicial branch of the U.S. Government functions. Thank you to the Honorable Angela Sutkiewicz for hosting this program each year.

Grade 2 attended a performance called "Big, Bang, Boom" at the Stefanie H. Weill Center earlier this month. This musical performance was filled with educational songs for kids written and performed by three dynamic dads.

Last week, the CCA 4th grade class spent the day at the Wade House in Greenbush. The trip reinforced the culmination of the 4th grade unit on the history of Wisconsin.

Registration for the 2022-2023 school year continues! Christ Child Academy is a 4K preschool through 8th grade Catholic school serving the community of and around Sheboygan. Our 4K preschool program is offered five mornings per week from 8:00-11:15 AM. If you or someone you know is interested in touring the school and discovering what Christ Child Academy has to offer, please contact the school at (920) 459-2660.

Stewardship Thought

Jesus ascended into Heaven, blessing His disciples and promising they would soon receive the power of the Holy Spirit. We who have received that promised gift of the Spirit are now empowered to be His witnesses to the ends of the Earth, to use our time and talents to spread the Good News of salvation.

Commission and Committee Spotlight Meal-a-Month

Our Meal-a-Month program has been in existence since November of 1986. Because of a decline in participation we have decided to suspend the program. This, by no means, says you shouldn't continue to support the hungry in our community. Any food brought to our Southside Catholic Churches will be given to the Sheboygan South Catholic Parishes Food Pantry located at St. Peter Claver, which distributes food to the needy on the 1st and 3rd Mondays of the month. All monetary donations we've received to this point and in the future will be used to purchase fresh meat, produce and dairy products. We thank you for your years of generous donations.

STAFF SPOTLIGHT: MARGE AUSLOOS

In just a few weeks, I will complete my third year of working with parishes. It was a big change for me coming here after so many years working within one organization. But change is like that, scary at first until, eventually, you can see why the change was necessary. Today, I am feeling "at home" and cannot imagine never meeting all the beautiful people who are now part of my life. I really had no idea how my life would be positively impacted.

But unlike my decision to change jobs, sometimes we don't get a choice. Covid has also brought many unexpected changes to all our lives. Our families, schools, work environments, and society in general have all been affected both negatively and positively by the virus. This is true for the church too. Post-covid, we are not only struggling to get parishioners back to church on Sunday, to recommit to their faith, but we are also finding it difficult to build back our parish councils, committees, and commissions.

But on a positive note, this struggle can also be the catalyst to positive change, new ideas, the start of a more dynamic church. A change that we all treasure on day as we look back.

The end of June marks the end of the church's fiscal year. In the month of July there are generally no meetings and in August we resume the "new year" with regards to church ministry. I invite you to take time now to think about how you can become more involved with the church, participate in the church's future, and recommit to your faith. There are so many ministries available that need your help. Most were existing before covid but there are an additional *NEW MINISTRIES* too.

Below I have listed just a few of the many ministries, including the three new ones (*), for you to consider joining. If you want more information, or want to sign up, please call the parish office (920) 457-1077 and we can help. It is really an exciting time for change, together we can grow our parishes, our church, into something really wonderful for generations to come.
